Heart of the Bison Glen R. Stott, 2002-08-13 As the lambent light from the slumbering fire dances across the roof of the cave a young girl wakes from a dream Kec's dream tells her that her clan is in jeopardy and that Mother Earth expects her to do something to save her people A magic child will be sent to help her Far away Strong Branch a powerful Shaman of his people has his own dream The Great Spirit sends him a warning about a future of conflict and killing Kec's people are very simple but they are strong and powerful enough to have survived the ice ages of Pleistocene Europe by force for over one hundred thousand years Strong Branch's people are late comers from an alien world far to the South They bring an advanced

technology that allows them to utilize the environment in ways Kecs people never could As the population of the aliens has grown over a period of more than twenty thousand years the stress on the environment has become critical Kecs and Strong Branch must play their parts in a microcosm of the greater struggle for survival The conclusion of their struggle will establish a new story and a new history for each of their peoples *Near to the Heart of God* Robert J.
