If I Let You Go Charlotte Levin, 2023-03-02 Simultaneously tragic and uplifting And I have to say at times funny Charlotte Levin is SUCH a clever writer A magnificent read Ruth Jones author of Love Untold This emotional rollercoaster is alternately heart breaking and hopeful I was gripped Daily Mail A gripping darkly comic tale of searing loss coercive control and the consequences of taking the wrong path Every morning Janet Brown goes to work cleaning offices It calms her cleanliness neatness All the things she s unable to do with her soul can be achieved with a damp cloth and a splash of bleach However the guilt she still carries about a devastating loss that happened eleven years ago cannot be erased Then Janet finds herself involved in a train crash and recognising the chance to do what she couldn t all those years ago she makes a decision As news spreads of Janet s actions her story inspires everyone around her and for the first time her life has purpose and the future is filled with hope But Janet s story isn t quite what it seems and as events spiral out of control she soon discovers that coming clean isn t an option Because if Janet washes away the lies what long buried truths will she finally have to face If I Let You Go by Charlotte Levin is a deeply moving and gripping portrayal of a woman coming to terms with loss

That's Me in the Corner Andrew Collins, 2012-10-31 Fast approaching his fortieth birthday Andrew is cornered at a family gathering by the nine year old son of his brother in law s sister Having seen him as a talking head on TV the boy asks What are you It is a question so frank and simple that Andrew doesn t have an immediate answer to hand So with hilarious self deprecation he sets out to retrace how he got to where he is today Seventeen precarious jobs in seventeen years from trolley collector at Sainsbury s to high flying film critic sipping cocktails with Will Smith and Jerry Bruckheimer on a yacht in Cannes This is Andrew s tale of rubbing shoulders with the world s biggest stars pissing off Christini Ricci having his hairstyle mocked by Noel Gallagher trying not to wake Clive James from his

 blowing joy And of course being sent shit in a box *Minority Religions and Fraud* Amanda van Eck Duymaer van
 Twist,2016-04-22 Analysing both fraud and religion as social constructs with different functions and meanings attributed to
 them this book raises issues that are central to debates about the limits of religious toleration in diverse societies and the
 possible harm as well as benefits that religious organisations can visit upon society and individuals There has already been a
 lively debate concerning the structural context in which abuse especially sexual abuse can be perpetrated within religion
 Contributors to the volume proceed from the premise that similar arguments about ways in which structure and power may
 be conducive to abuse can be made about fraud and deception Both can contribute to abuse yet they are often less easily
 demonstrated and proven hence less easily prosecuted With a focus on minority religions the book offers a comparative
 overview of the concept of religious fraud by bringing together analyses of different types of fraud or deception financial bio
 medical emotional breach of trust and consent Contributors examine whether fraud is necessarily intentional or whether that
 is in the eye of the beholder certain structures may be more conducive to fraud followers willingly participate in it The
 volume includes some chapters focused on non Western beliefs Juju Occult Economies Dharma Lineage which have travelled
 to the West and can be found in North American and European metropolitan areas *The Glamorous (Double) Life of Isabel*
