Religion in the United States Jeanne Cortiel, 2011 The idea that the cultural history of the United States has been shaped by religion is a truism few would question Scholars in American Studies however have been reluctant to engage this issue in a manner appropriate to its significance and complexity This volume of scholarly articles approaches the challenges posed by the topic religion in the United States from an interdisciplinary perspective examining the ways in which religious heterogeneity a multitude of religious practices and holy scriptures as well as resistance to such religiosity are interwoven with American literature culture and history The contributions address three general areas of interest evangelical empowerment in the United States since the 1970s religious interventions in major nineteenth century American cultural conflicts and contemporary negotiations of national transnational narratives of religion and spirituality in fiction film and performance *Jet*, 2006 **Black Enterprise**, 2002 **The Skeptical Inquirer**, 2008 *Drum*, 2009 *Solutions for Black America* Jawanza Kunjufu, 2004 Contending that the media and the black community allocate too much of their efforts to talking about the problems afflicting the African American community this book attempts to reverse that trend by offering solutions in many areas including education family health economics politics organising and Afrocentricity Concerned that one third of black America and one half of its children live below the poverty line activist and educator Jawanza Kunjufu expresses his concern about whether affirmative action and integration have really helped this population Many diverse schools of thought are expressed from the differences between Ward Connerly and Jesse Jackson and between US Supreme Justice Clarence Thomas and Al Sharpton Also addressed is what percentage of the problem and their solutions lie with the effects of slavery and what portion should be addressed by self responsibility
