Yankey,2018-05-15 Whether we are aware of it or not we are all in pursuit of someone or something that can improve our life on earth Even when we do attain our goals it is nearly impossible to sustain the emotional highs of those achievements Instead of feeling fulfilled our lives are characterized by inner conflict and tension a lack of purpose and repetitive patterns of behavior that are hurtful to us and those we love What stifles our human experience and holds us back from living a life of fulfillment purpose and peace every single day The answer is strongholds A stronghold is a spiritual mental and emotional fortress made of thinking patterns that negatively distort a person s outlook In this book I carefully dissect the issue of sexual strongholds which are specific negative mindsets that can affect every adult They are comprised of unwanted thoughts feelings behaviors compulsive habits obsessions and experiences These strongholds take root from one s sexual past and influence the direction of a person s life Within the pages of this book I share my own experiences dealing with sexual strongholds in my life and point you to the source of my liberation Jesus This book is for everyone who desires to live out the fulfillment of his or her purpose on this earth regardless of religious affiliation [The War Within](#) Robert Daniels,2005 Who is the Faithful and Discreet Slave If you are a Jehovah s Witness no doubt you have a deep love for the truth Chances are you would also agree that no matter how much Bible reading we have done we would never have learned the truth on our own The Watchtower December 1 1990 p 19 Most of what you know about Jehovah God and his Word you learned from the faithful and discreet slave class This is why you go door to door to share what you have learned with others But isn t it possible that some of the Watchtower Society s teachings could be wrong After all they ve been wrong in the past Wasn t C T Russell wrong when he expected to be taken to heaven in 1914 Wasn t J F Rutherford wrong when he predicted that men like Moses and David would soon be resurrected and live in the Watchtower s mansion in San Diego And isn t it possible that N H Knorr and F W Franz were wrong in saying that the generation of 1914 would live to see the end of this wicked system of things If God s organization was wrong about these things shouldn t we consider the possibility that they are still wrong about other more important doctrines as well Why is it then that most Witnesses will never question the Society s teachings even when they teach commands of men as doctrines Matthew 15 9 What gives them this kind of authority As you know their claim to authority rests entirely on their interpretation of Jesus parable of the faithful and discreet slave Who really is the faithful and discreet slave whom his master appointed over his domestics to give them their food at the proper time Happy is

that slave if his master on arriving finds him doing so Truly I say to you He will appoint him over all his belongings Matthew 24 45 47 They believe this text makes them God s channel for providing spiritual food to his people In 1919 that slave was identified as the remnant of anointed Christians Since then as represented by the Governing Body of Jehovah s Witnesses it has been the center of theocracy on earth The Watchtower January 15 1994 p 16 Since so much rests on this passage it is only right that we examine just what Jesus meant in this parable The Society insists that Jesus was speaking not of individuals but of a group of people who are members of an organization The problem is in Luke s account Jesus specifically applies the parable to individuals Indeed everyone to whom much was given much will be demanded of him and the one whom people put in charge of much they will demand more than usual of him Luke 12 48 The parable has to do with Christian stewardship In fact it follows the same pattern as the parable of the talents Matthew 25 14 30 or minas Luke 19 12 27 A master departs leaving work for his slaves When he returns he evaluates their faithfulness and rewards or punishes them accordingly It s interesting that the Society applies these parables to individuals while applying the faithful and discreet slave parable Matthew 24 45 51 to an organization Their interpretation is inconsistent This teaching on the faithful stewardship of individuals is reflected elsewhere in Scripture In proportion as each one has received a gift use it in ministering to one another as fine stewards of God s undeserved kindness expressed in various ways 1 Peter 4 10 Let a man so appraise us as being subordinates of Christ and stewards of sacred secrets of God Besides in this case what is looked for in stewards is for a man to be found faithful 1 Corinthians 4 1 2 Can you say that Jesus is your Master If so think about what it says of your stewardship when you accept the Watchtower s teachings without question knowing that the Bible never approves of such a practice Have you noticed that the Society often encourages others to examine their religion but discourages you from doing the same How ironic that the Society s first president C T Russell wrote If any one knows anything better let him take it If any of you ever find anything better we hope you will tell us The Watchtower December 1 1990 p 19 We think we have something better We encourage you to compare the teachings of the Watchtower Society with those of solid evangelical Christians Otherwise how will you know you ve really been feeding on the best spiritual food As a suggestion start by reading a book like Systematic Theology by Wayne Grudem which examines the biblical basis for the different views of all the major doctrines We pray that Jehovah will guide you as you seek to be a faithful slave of our Lord Jesus Christ
