while writing this I'm on my way to spend four days with more than 1500 of them at camp. My passion to see young people awakened to a lifestyle of worship that goes far beyond singing songs coupled with the need for small group material stimulated the idea for Wired. I want to equip youth workers with a resource that can be used in small groups, large Bible studies or Sunday school classes. I pray that Wired will encourage teens everywhere to a lifestyle that reflects God's greatness to the world.
