Wishing On A Star My Journey Across The Gender Divide:

Wishing on a Star Rachael Booth, 2018-09 Picture a five year old boy sitting in a small clearing every summer waiting for the first star of the evening to appear so he can wish on it to wake up in the morning as the girl he knew he really was This is the story of a monumental struggle of a young man to fit into a society that demands he be something he is not He tries everything from joining the military to becoming a husband and a father but nothing works The feeling that he is in the wrong body remains but he doesn't have the courage to make the change he so desperately needs After years of torment he discovers it's not courage that he needs at all but the conviction that if he doesn't do this he will die This story is told with great sadness but with even greater humor teaching the reader what it is like to be transgender but laughing at the antics of a youngster ignorant in physiology but knowing his isn't right The story is designed to give those going through this awful condition hope that there actually IS light at the end of that long dark tunnel and also to help others understand so they can offer the help the support and the love that all people deserve

Wishing on a Star Rachael Evelyn Booth, 2012-02 Rachael Evelyn Booth shares her story of what it's like to be a woman living in a male body struggling her entire life trying to find a way to fit into the world From her lonely childhood through her many attempts as an adult to find a way live the role society expected of her Ms Booth's story is one of pain of despair of hope and of eventual triumph meant to not only help those going through the silent hell of the transgender condition but also to help others understand and learn to accept their transgender family member or friend trying desperately to cope with this problem It is both a heartbreaking and heartwarming story told with great humor and total honesty making it a book that you won't be able to put down Ms Booth served as a Chinese and Arabic linguist in the Navy and then in civilian life retired after 30 years as a computer scientist working with Naval Shipboard Weapons Systems A musician singer martial artist and avid outdoorswoman Ms Booth lives with her wife two Golden Retrievers and a cat in the beautiful mountains of New Hampshire
