Without A Doubt Marcia:

Without a Doubt Marcia Clark, Teresa Carpenter, 1998 Without a Doubt is not just a book about a trial It s a book about a woman Marcia Clark takes us inside her head and her heart Her voice is raw incisive disarming unmistakable Her story is both sweeping and deeply personal How did she do it day after day What was it like orchestrating the most controversial case of her career in the face of the media s relentless klieg lights How did she fight her personal battles those of a working mother balancing a crushing workload and a painful very public divorce When did she know that her case was lost Who stood by her and who abandoned her And how did she cope with the outcome As Clark shares the secrets of her own life we understand for the first time why she identified so strongly with Nicole in a way no man ever could No one is spared in this unflinching account least of all Clark herself who candidly admits what she wishes she d done differently and for the first time we understand why the outcome was inevitable *If I'm Dead* Marcia Clark, 2014-07-01 It started with a haunting
