Jewish Roots in Southern Soil Marcie Cohen Ferris, Mark I. Greenberg, 2006 A lively look at southern Jewish history and culture **A Virginia Girl in the Civil War, 1861-1865** Myrta Lockett Avary, 2015-07-06 Excerpt from *A Virginia Girl in the Civil War 1861 1865 Being a Record of the Actual Experiences of the Wife of a Confederate Officer* This history was told over the tea cups One winter in the South I had for my neighbor a gentle little brown haired lady who spent many evenings at my fireside as I at hers where with bits of needlework in our hands we gossiped away as women will I discovered in her an unconscious heroine and her Civil War experiences made ever an interesting topic Wishing to share with others the reminiscences she gave me I seek to present them here in her own words Just as they stand they are I believe unique possessing at once the charm of romance and the veracity of history They supply a graphic if artless picture of the social life of one of the most interesting and dramatic periods of our national existence About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works "The Women Will Howl" Mary Deborah Petite, 2015-06-08 In July 1864 Union General William T Sherman ordered the arrest and deportation of more than 400 women and children from the villages of Roswell and New Manchester Georgia Branded as traitors for their work in the cotton mills that supplied much needed material to the Confederacy these civilians were shipped to cities in the North already crowded with refugees and left to fend for themselves This work details the little known story of the hardships these women and children endured before and most especially after they were forcibly taken from their homes Beginning with the founding of Roswell it examines the pre Civil War circumstances that created this class of women The main focus is on what befell the women at the hands of Sherman's army and what they faced once they reached such states as Illinois and Indiana An appendix details the roll of political prisoners from Sweetwater New Manchester *Troubled Refuge* Chandra Manning, 2017-07-25 From the author of *What This Cruel War Was Over* a vivid portrait of the Union army's escaped slave refugee camps and how they shaped the course of emancipation and citizenship in the United States Chandra Manning casts in a wholly original light what it was like to escape slavery how emancipation happened and how citizenship in

the United States was transformed This reshaping of hard structures of power would matter not only for slaves turned citizens but for all Americans Integrating a wealth of new findings this vivid portrait of the Union army s escaped slave refugee camps shows how they shaped the course of emancipation and citizenship in the United States Drawing on records of the Union and Confederate armies the letters and diaries of soldiers transcribed testimonies of former slaves and more Manning allows us to accompany the black men women and children who sought out the Union army in hopes of achieving autonomy for themselves and their communities It also raised for the first time humanitarian questions about refugees in wartime and legal questions about civil and military authority with which we still wrestle as well as redefined American citizenship to the benefit but also to the lasting cost of African Americans
