You Say More Than You Think Free:

You Say More Than You Think Janine Driver, Mariska van Aalst, 2011-01-04 Now You're Talking Do you want to be bulletproof at work secure in your relationship and content in your own skin If so it's more important than ever to be aware of what your body is saying to the outside world Unfortunately most of what you've heard from other body language experts is wrong and as a result your actions may be hurting not helping you With sass and a keen eye media favorite Janine Driver teaches you the skills she used every day to stay alive during her fifteen years as a body language expert at the ATF Janine's 7 day plan and her 7 second solutions teach you dozens of body language fixes to turn any interpersonal situation to your advantage She reveals methods here that other experts refuse to share with the public and she debunks major myths other experts swear are fact Giving more eye contact is key when you're trying to impress someone Not necessarily true It's actually more important where you point your belly button This small body shift communicates true interest more powerfully than constant eye contact The steeple hand gesture will give you the upper hand during negotiations and business meetings Wrong Driver has seen this overbearing gesture backfire more often than not Instead she suggests two new steeples that give you power without making you seem overly aggressive the Basketball Steeple and the A OK Two Fingered Steeple Happy people command power and attention by smiling just before they meet new people Studies have shown that people who do this are viewed as Beta Leaders Alpha leaders smile once they shake your hand and hear your name At a time when every advantage counts and first impressions matter more than ever this is the book to help you really get your message across

You Are More Than You Think Emmanuel Igwe, 2013-07 Opening Proverb There is an African proverb that says A cockroach knows how to sing and dance but it is the hen that prevents it from performing its art during the day What does this mean Well in many African villages it is not uncommon to see a hungry hen running around pecking at the ground for its meal of cockroaches scurrying about But without the hindrance of its enemy the hen the cockroach would be free to demonstrate all that it's skilled to do My question is if cockroaches can dance in the face of danger why can't you What hen giant king or obstacle is holding you from being all that you're created for Why did you stop using your God given talents and gifts in the service of his kingdom Who has turned you against yourself emasculated you and frozen your potentials Now is the time to declare to that mountain to be removed and be cast into the sea Matt 17:20 To that tumultuous and raging situation peace be still Mark 4:39 to that giant I am well able to overcome you Numbers 13:30 to that king Nebuchadnezzar terrorizing your life My God is able to deliver me Daniel 3:17 and to that circumstance like Jesus I will rise again Matt 27:63 For in the time of trouble he shall hide me in his pavilion in the secret of his tabernacle shall he hide me he shall set me up upon a rock And now shall mine head be lifted up above mine enemies round about me therefore will I offer in his tabernacle sacrifices of joy I will sing yea I will sing praises unto the LORD PSALM 27:5-6 If cockroaches can dance in the face of its enemy I can too In the Bible gifts and talents are not just given to some but to all We are called to use those gifts in service of

others They are instruments and tools that help build the kingdom of God on earth According to Bishop T D Jakes senior pastor of the Potter s House the gift talent and abilities God gave you is your key to success They were not given to you to be put on display to be wasted to be hidden or denied out of a false sense of religious humility but to be poured out to be used and invested Apostle Paul in the book of Romans succinctly admonishes us in these words Having gifts that differ according to the grace given to us let us use them if prophecy in proportion to our faith if service in our serving the one who teaches in his teaching the one who exhorts in his exhortation the one who contributes in generosity the one who leads with zeal the one who does acts of mercy with cheerfulness Roman 12 6 8 New King James Version Do not forget that God does not give equal gifts or talents but equal opportunity for investment we don t have equal gifts and talents but the same twenty four hours in a day to utilize it and there is the enemy like the hen walking about seeking to devour those who would dare use their gift Be sober be vigilant because your adversary the devil walks about like a roaring lion seeking whom he may devour 1 Peter 5 8 NKJV In this proverb if singing and dancing represent the gifts that are given by God to every person then we all can sing and dance Hence the Bible declared that He gave gifts to all men To my greatest chagrin there doesn t seem to be a whole lot of singing and dancing going on Why What hen do you think is trying to devour you and your gift Each chapter in this book is dedicated to a hen that may be keeping you from singing and dancing performing your art or becoming all that God created you to be We ll call them hen drances Even before the foundation of the earth God wrote history and it is known as His story because only God His son and His Spirit can give an accurate account and story of my life In His story He included you me and every other person throughout all of time Do you see why everyone else that attempts to tell your story becomes *Parliamentary Papers* Great Britain.
