Flandry's Legacy Poul Anderson, 2011-04-05 Sir Dominic Flandry is now an Admiral but takes little joy in his new rank He sees the rot in the Terran Empire on every hand and knows that the Long Night will inevitably fall upon the galaxy His consolation is that measures he has taken while doing what he can to postpone the Empire s final collapse may shorten the coming galactic dark age and hasten the rise of a new interstellar civilization In the meantime he ll enjoy the comforts of a decadent civilization and he ll always be ready for one more battle against the Empire s enemies This concluding volume of the Technic Civilization saga one of the milestones of modern science fiction includes two full length novels A Stone in Heaven When the daughter of Flandry s mentor asks for help he intervenes and finds he must thwart a would be dictator s plans to seize control of the Empire The Game of Empire The Merseians alien enemies of the Empire have put into motion an insidious plan to bring the Terran Empire down Flandry s daughter Diana and her feline like alien friend have discovered the conspiracy but can they stop it in time Plus three novellas and a novelette set in the time of the Long Night and the renaissance of civilization which followed it concluding one of the grandest adventure sagas in science fiction At the publisher s request this title is sold without DRM Digital Rights Management The Complete Psychotechnic League,

Captain Flandry Poul Anderson,2010-02-02 Captain Dominic Flandry Science Fiction s James Bond in a Large Volume of Blazing Science Fiction Adventure The Fifth Volume of the Complete Technic Civilization Saga No longer a brash young ensign Captain Dominic Flandry has risen in rank but now appreciates fully that the Terran empire is old and tired wanting to be left in peace But the enemies it has made and the competing empire of Merseia will give it no peace Too evenly matched for open warfare not to destroy them both the opponents engage in subtle thrust and counter thrust feint and counter feint with Flandry in the thick of it Though through this and his succeeding adventures he will struggle gloriously and snatch victory from the alien jaws of defeat Flandry is yet a tragic figure a man who knows too much history who knows that battle scheme and even betray as he will in the end it will mean nothing For with the relentlessness of physical law the Empire is falling and the Long Night is approaching If that darkness is not to fall in his own lifetime if the things he cares about are to be saved he must do what he can And anyone human or alien who gets in his way will most definitely regret it
