A Calling for Charlie Barnes Joshua Ferris,2021-09-28 Named a best book of the year by NPR Vogue and the New York Times Book Review the hilarious and profound new novel from National Book Award finalist Joshua Ferris is a fine American novel about family love and a decent but flawed man trying to be better Stephen King Someone is telling the story of the life of Charlie Barnes and it doesn t appear to be going well Too often divorced discontent with life s compromises and in a house he hates this lifelong schemer and eternal romantic would like out of his present circumstances and into the American dream But when the twin calamities of the Great Recession and a cancer scare come along to compound his troubles his dreams dwindle further and an infinite past full of forking paths quickly tapers to a black dot Then against all odds something goes right for a change Charlie is granted a second act With help from his storyteller son he surveys the facts of his life and finds his true calling where he least expects it in a sacrifice that redounds with selflessness and love at last becoming the man his son always knew he could be A Calling for Charlie Barnes is a profound and tender portrait of a man whose desperate need

to be loved is his downfall and a brutally funny account of how that love is ultimately earned A masterpiece that shines a revealing light on both family and fiction itself Michael Schaub NPR *The Collected Works of Mahatma Gandhi* Mahatma Gandhi,2000 *Collected Works Mahatma Gandhi*,1968 **The Mahābhārata Revisited** Sahitya Akademi,1990
