Why Trust Jesus? Dave Sterrett, 2010-02-17 The last decade has shaken our trust in personal safety through terrorist attacks school shootings economic turmoil and war Our trust has been shattered in other areas as we have seen hypocrisy in governmental leaders as well as in the church We are looking for relationships that are authentic and full of life but we have many questions in regard to faith reason suffering and even the person of Jesus himself Author and speaker Dave Sterrett helps us answer these and other questions Why Should I Trust Jesus when So Many Other Spiritual Paths Exist The foundation of trusting in Jesus is that he is true But if absolute truth does not exist then to say that Jesus is the Truth is a meaningless statement Many definitions of truth fail but a good definition of truth is that which corresponds to reality simply put truth is telling it like it is Why Should I Trust Jesus When All I Need to do is Trust Myself Human knowledge is real but it has its limitations Jesus however is all knowing He knows everything about me He knows everything about you He knows what you are thinking He knows what you are feeling He understands you better than you understand yourself This is one of the many good reasons for us to pray to the Father in the name of the Son Why Should I Trust Jesus in the Midst of Suffering and Death The ultimate foundation of Christianity is a historical event the bodily resurrection of Jesus Christ A man who walked this earth in history claimed to be God died on the cross and bodily rose from the dead Many people in today s culture both Christians and non Christians have questions about
