Your Spacious Self Stephanie Bennett Vogt, 2007 Behind our stress and clutter is an infinitely spacious place one might call stillness or joy This is our natural state of being but we usually do not experience it because we are caught in a web of material possessions desires and fears Why has our clutter become like another member of the family that we feed house and lug around **Your Spacious Self Clear Your Clutter and Discover Who You Are** shows us that it's not our stuff but the holding on to it that creates a force field of stuckness that clouds our perceptions and paralyzes our lives Clutter is not just the junk spilling out of the closet It is anything or thought that prevents us from experiencing who we truly are Clearing is not a tedious exercise of throwing away but a gentle journey of softening our grip and letting go Radical in its message and elegant in its simplicity **Your Spacious Self** offers a new model of clearing that combines the ancient wisdom of space clearing with the modern practicality of clutter clearing It teaches us that clearing is not just something we do but also a powerful way to be one small step drawer or moment at a time Page 4 of cover
