Your College Faith Own It:

Your College Faith Matt Swaim, 2013 Whether you've been homeschooled, gone to Catholic or public school or a combination of all of the above, college presents a universe that's totally different from the one you experienced in high school. All of the work you and those who love you have done to help your faith take root in your life has been preparing you for the moment when you finally leave the nest, take off the training wheels, and begin to flourish in the Church as a young adult. Now it's your turn to take the initiative to go to Mass, your turn to further your spiritual growth, and your turn to become the kind of person who honors Christ with your life when nobody's looking. It's your college faith, and it's your turn to own it. Matt and Colleen Swaim encourage all college students to continue to carry the torch of faith through collegiate years and beyond, providing some helpful hints and useful sources to keep the fire burning. **Read Your College Faith Own It** so that you too may truly make our extraordinary faith heritage your own.

Your College Faith Matt Swaim, Colleen Swaim, 2013 Walk in faith on campus and beyond. *Your College Faith Own It* serves as a field guide to faith for the student transitioning to or seeking to make a fresh start in the realm of college or university life. The authors help alleviate common fears about making it in college and encourage the student to experience faith in a Christian community that serves the unique pastoral needs of young adults. The college student has an extraordinary number of opportunities before him or her; one of them is to continue to be enriched by the Catholic faith. This book encourages and enables the student to make the most of that opportunity. Topics covered include: Taking ownership of your faith, life from finding and participating in the Mass to leading a moral life on campus; Finding and connecting with a Catholic campus community; Balancing your life and avoiding burnout to increase your chances for a successful college career; Giving back to the community through fulfilling service work; Discerning your vocation: What does this mean and how do you begin? Taking advantage of social media and avoiding its pitfalls; Making use of Vatican and USCCB documents, the writings of the saints, and more resources to guide your faith journey.

In Search of Faith Howard W. Roberts, 2010-01-01 Explore several of the stories of biblical characters

who were seekers The search by some of these people became watersheds for later seekers For example Abraham s search resulted in a clear understanding of radical monotheism Ruth s seeking and searching challenged the notion that God s love and acceptance were tied to racial purity Allow yourself to be a seeker as you read May part of your seeking be to consider where your story and each of these stories intersect and may those intersections be places where you seek God and discover that already God is seeking you from the Preface In Search of Faith is an exploration of biblical characters who struggled to define their faith Roberts help readers to identify with biblical characters to discover kinship with seekers of another era and to read about themselves in the stories Some of the biblical characters discussed include Ruth Jacob Peter and Hosea The stories of these biblical characters can be used in a sermon series or a course of study for a small group In Search of Faith can be a guiding force in the daily lives of seekers by addressing the quest for personal meaning and the desire to belong in community
