

The background of the slide features a central anatomical illustration of a human torso from the neck to the thighs, showing the internal organs of the digestive system. The esophagus, stomach, small intestine, large intestine, and rectum are clearly visible. Surrounding this central figure are various biological and medical-themed elements: a large red blood cell in the upper right, a blue virus-like particle, several smaller red blood cells, a green bar chart, a yellow ECG line at the bottom, and various abstract shapes and colors like yellow, green, and red. The entire scene is set against a light green background with a subtle grid pattern.
