Let's Go Fishing! Evangelist Carol J. Pryor, 2014-05-20 This book was written out of my heart and experiences serving under the leadership of my brother pastor and bishop the late Bishop Marvin C Pryor Even though he has made his transition to Heaven his life has left an impact that will never be erased or forgotten The information shared is not theory but written from the brainstorming planning services events and regular staff sessions conducted at Victorious Believers Ministries Church of God in Christ from Saginaw Michigan In October of 2012 nearly four months prior to his death Bishop Marvin C Pryor celebrated twenty five years as pastor of the church I was blessed and honored to have been involved during most of that time The church name was Williams Memorial COGIC but by the end of his life the vision had reflected his purpose on earth so being changed to Victorious Believers Ministries VBM He and his wife Evangelist Ruth C Pryor lead us from Catch the Vision to the Vision Unfolds to Run with the Vision Pastor Pryor made the decision to change the name of the church from Williams Memorial to what is now called Victorious Believers Ministries VBM He chose a name to reflect the vision for the ministry and would stimulate each member to live victoriously no matter circumstances I served as the Director of Evangelism at the local church It was one of my responsibilities to encourage members to do personal evangelism one on one contact and corporate outreach efforts which extend to the masses VBM is yet working at fulfilling the vision even though Bishop Pryor is no longer present to guide His son Pastor Christopher V Pryor is directing and mandating the outreach of the ministry

Discover Your Divine Purpose

Margaret Mutandwa, 2017-09-22 A divine pathway recoups the neglected youths suffering from broken hearts the victimized parents and all those who are vulnerable to abuse despite their age Ironically without judging everybody is biblically guiltless Regrettably conspiracy and disorderly pressure from community is tarnishing lives of the young generation Some children are victims of decisions made by parents and it has affected their lives though with some it is by own choice and peer pressure from bully friends The devil is also gravely flirting with teenagers corrupting their mindset through social media especially internet Teenage pregnancy drugs magazines and bullying the innocent is the devils work because teenagers of today are the witnesses of coming of Christ Knife and gun gangs are roaming the world streets at an unprecedented rate and fear of muggers is tormenting and crippling the society 24 7 Some single parents blame their status because of the behaviour of their children Some couples are also failing to control their teenage children As a result the Victorian times of high opinion of elders is now regarded as a thing of the ancient Parents are neglecting their children because of parenting ineffectiveness and at times out of fear Presumably lacking of common ground with teenage children is a grey area impediment As a parent I urge all parents by the love of Christ to amalgamate and save the young generation from the spineless world for today is their tomorrow Truthfully only the incorruptible Spirit of God can regenerate the bruised inner being of the deprived teenagers that is if their passion is Christ like The same Spirit moulds parents to be real models to youths Every day is a learning curve No one is perfect and learning does not end Parents should not blame themselves or the children for bad behaviour though there is always a cause They should leave no stone unturned and find the root cause first
