Sonnenschein,1910 **Lady Liberty** Richard N. Rhoades,2013-07-10 The Statue of Liberty holds a special place in the hearts of Americans the people of France and freedom lovers throughout the world But up until now the full story behind its origins has not been told Author Richard N Rhoades peels back the mystery surrounding the icon explaining how French sculptor Frederic Auguste Bartholdi looked to a Roman goddess to serve as the model for the statue On Oct 28 1886 at the unveiling ceremony President Grover Cleveland praised Bartholdis goddess statue as greater than all that have been celebrated in ancient song But Rhoades goes beyond the historical data and examines the statues pagan origins by analyzing Scripture He establishes that the most revealing chroniclers of the Statue of Liberty were the Hebrew prophets who predicted the building and setting of an image of the Great Goddess of the ancient world on her own pedestal in a latter day country code named the land of Shinar Discover the real origins of the Statue of Liberty its adoption by the American people as a national icon and its historical and biblical significance in Lady Liberty The Ancient Goddess of America

Understanding End Times Prophecy Paul Benware,2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture

The Serpent in Samuel Brian A. Verrett,2020-02-17 In this study Brian A Verrett argues that 1 2 Samuel contains a serpent motif by practicing biblical theology and literary criticism This motif derives from the serpent in Genesis 3 and its function within the Samuel narrative is to heighten the reader s anticipation in the coming messiah who is the son of David

and the seed of the woman from Genesis 3:15 This messiah will defeat the serpent and inaugurate his glorious reign over a renewed world When 1:2 Samuel is read in this way one appreciates previously unnoticed features of the text understands aspects of the text that were formerly confusing and rightly sees that the whole of 1:2 Samuel is a messianic document

Zechariah: Visions and Prophecies David Baron, 2012-12-01 David Baron's classic work Zechariah Visions and Prophecies is considered a giant among expositions of this Old Testament book The book of Zechariah contains some of the most specific and comprehensive information for the Church concerning end time events which will occur in Jerusalem and the nations Zechariah informs us of God's end time plan for the nation of Israel of her coming glory and suffering of the great battle at the close of this age when the city of Jerusalem will be liberated by Jesus the great Warrior King and of his future reign on earth from Jerusalem the City of Truth Zech 8:3 Zechariah's message brought a warning of trouble yet held great promise for Jerusalem He prophesied Jerusalem's future glory and suffering heralding a time when Jewish apostasy would reach its zenith and then be swiftly followed by Israel's wholehearted devotion to Jesus **Zechariah's Hope Paperback** David C Coldwell, 2018-01-24 The Book of Zechariah may be one of the least read books in the Bible For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet They would often ask questions or share their thoughts about Zechariah long after our devotional had ended I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world According to Proverbs life is a series of choices between which roads we will travel We decide daily to either take the path of the righteous or the way of the wicked We choose regularly to either walk on the path of the wise person or stroll along the way of the fool **Holman Old Testament Commentary - Nahum-Malachi** Stephen Miller, 2004-04-01 One in a series of twenty Old Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike *The Best Books: Class A, Theology. B, Mythology and folklore. C, Philosophy. 1910* William Swan Sonnenschein, 1910
