Visceral Cosmopolitanism Gender Culture And The Normalisation Of Differenc:

Visceral Cosmopolitanism Mica Nava,2007-09-01 Cultural theorist Mica Nava makes an original and significant contribution to the study of cosmopolitanism by exploring everyday English urban cosmopolitanism and foregrounding the gendered imaginative and empathetic aspects of positive engagement with cultural and racial difference By looking at a wide range of texts events and biographical narratives she traces cosmopolitanism from its marginal status at the beginning of the twentieth century to its relative normalisation today Case studies include the promotion of cosmopolitanism by Selfridges before the first world war relationships between white English women and other men Jews and black GIs during the 1930s and 1940s literary cinematic and social science representations of migrants in postcolonial Britain and Diana and Dodi s interracial romance in the 1990s In the final chapter the author draws on her own complex family history to illustrate the contemporary cosmopolitan London experience Scholars have tended to ignore the oppositional cultures of antiracism and social inclusivity This groundbreaking study redresses this imbalance and offers a sophisticated account of the uneven history of vernacular cosmopolitanism

Visceral Cosmopolitanism Mica Nava,2007-10-15 Renowned cultural theorist Mica Nava makes a significant contribution to the study of cosmopolitanism by exploring everyday English urban cosmopolitanism and foregrounding the gendered imaginative and empathetic aspects of positive engagement with cultural and racial difference By looking at a wide range of texts events and biographical narratives she traces cosmopolitanism from its marginal status at the beginning of the twentieth century to its relative normalisation by century s end Case studies include the promotion of cosmopolitanism by Selfridges before the first world war relationships between white English women and other men Jews and black GIs during the 1930s and 1940s literary cinematic and social science representations of migrants in postcolonial Britain and Diana and Dodi s interracial romance in the 1990s In the final chapter the author draws on her own complex family history to illustrate the contemporary cosmopolitan London experience Scholars have tended to ignore the oppositional cultures of antiracism and social inclusivity This groundbreaking study redresses this imbalance and offers a sophisticated account of the uneven history of vernacular cosmopolitanism

Gender and Cosmopolitanism in Europe Ulrike M. Vieten,2016-04-15 Gender and Cosmopolitanism in Europe combines a feminist critique of contemporary and prominent approaches to cosmopolitanism with an in depth analysis of historical cosmopolitanism and the manner in which gendered symbolic boundaries of national political communities in two European countries are drawn Exploring the work of prominent scholars of new cosmopolitanism in Britain and Germany including Held Habermas Beck and Bhabha it delivers a timely intervention into current debates on globalisation Europeanisation and social processes of transformation in and beyond specific national societies A rigorous examination of the emancipatory potential of current debates surrounding cosmopolitanism in Europe this book will be of interest to sociologist and political scientists working on questions of identity inclusion citizenship globalisation cosmopolitanism and gender

The

Handbook of Diasporas, Media, and Culture Jessica Retis, Roza Tsagarousianou, 2019-04-09 A multidisciplinary authoritative outline of the current intellectual landscape of the field Over the past three decades the term diaspora has been featured in many research studies and in wider theoretical debates in areas such as communications the humanities social sciences politics and international relations The Handbook of Diasporas Media and Culture explores new dimensions of human mobility and connectivity presenting state of the art research and key debates on the intersection of media cultural and diasporic studies This innovative and timely book helps readers to understand diasporic cultures and their impact on the globalized world The Handbook presents contributions from internationally recognized scholars and researchers to strengthen understanding of diasporas and diasporic cultures diasporic media and cultural resources and the various forms of diasporic organization expression production distribution and consumption Divided into seven sections this wide ranging volume covers topics such as methodological challenges and innovations in diasporic research the construction of diasporic identity the politics of diasporic integration the intersection of gender and generation with the diasporic condition new technologies in media and many others A much needed resource for anyone with interest diasporic studies this book Presents new and original theory research and essays Employs unique methodological and conceptual debates Offers contributions from a multidisciplinary team of scholars and researchers Explores new and emerging trends in the study of diasporas and media Applies a wide ranging international perspective to the subject Due to its international perspective interdisciplinary approach and wide range of authors from around the world The Handbook of Diasporas Media and Culture is ideal for undergraduate and graduate students teachers lecturers and researchers in areas that focus on the relationship of media and society ethnic identity race class and gender globalization and immigration and other relevant fields Populism and the Crisis of Democracy Gregor Fitzi, Juergen Mackert, Bryan Turner, 2018-10-11 The contributions to this volume Politics Social Movements and Extremism take serious the fact that populism is a symptom of the crisis of representation that is affecting parliamentary democracy Right wing populism skyrocketed to electoral success and is now part of the government in several European countries but it also shaped the Brexit campaign and the US presidential election In Southern Europe left wing populism transformed the classical two parties systems into ungovernable three fractions parliaments whereas in Latin America it still presents an instable alternative to liberal democracy The varying consequences of populist mobilisation so far consist in the maceration of the established borders of political culture the distortion of legislation concerning migrants and migration and the emergence of hybrid regimes bordering on and sometimes leaning towards dictatorship Yet in order to understand populism innovative research approaches are required that need to be capable of overcoming stereotypes and conceptual dichotomies which are deeply rooted in the political debate The chapters of this volume offer such new theoretical strategies for inquiring into the multi faceted populist phenomenon The chapters analyse its language concepts and its relationship to social media in an innovative way draw the con tours of left and right wing populism and reconstruct its

shifting delimitation to political extremism Furthermore they value the most significant aftermath of populist mobilisation on the institutional frame of parliamentary democracy from the limitation of the freedom of press to the dismantling of the separation of powers to the erosion of citizenship rights This volume will be an invaluable reference for students and scholars in the field of political theory political sociology and European Studies **British Modernism and Chinoiserie** Anne Witchard,2015-03-01 This volume examines the ways in which an intellectual vogue for a mythic China was a constituent element of British modernism **Fashionability, Exhibition Culture and Gender Politics** Meaghan Clarke,2020-06-11 Fair Women was the Victorian equivalent of a blockbuster exhibition Organised by a committee of women it opened to great fanfare in the Grafton Galleries in London and was comprised of both historical and contemporary portraits of women as well as decorative objects Meaghan Clarke argues that the exhibition challenged contemporary assumptions about the representation of women and the superficiality of female collectors The Fair Women phenomenon complicated gender stereotypes and foregrounded women as cultural arbiters This book uncovers a wide range of texts and images to reveal that Fair Women brought together fashion modernity and gender politics in new and surprising ways It shows that while invariably absent in institutional histories women were vital to the development of the modern blockbuster exhibition This book will be of interest to scholars in art and gender studies museum studies feminist art history women artists and art history *Cosmopolitanism, Theatre, and the Philippines* Sir Anril Pineda Tiatco,2018 *New Books on Women, Gender and Feminism* ,2008 *Entablado* Sir Anril Pineda Tiatco,2015 A collection of essays this book attempts to continue the conversation on theater and performance studies in the context of Philippine scholarship In the discussions the trope of entablado is used as a central idiom Here the use of entablado is twofold First entablado refers to its literal meaning as a space on which a performance takes place The space of the performance however is not only confined to the walls of an auditorium It may be in a street a foyer of a huge cultural landmark a river or a school auditorium Also the space may not necessarily be a location exclusively for an artistic performance It may be a space where people gather for the Divine for entertainment for a political protest or for an academic conversation Second entablado is used here as a signpost for both ambivalence and exact possibility Borrowing the Hispanic origin of the term entablar entablado may be translated into English as to strike to begin or to initiate The ambivalence is in the concept s determinism which also has Hispanic origins that seems to be suggestive of a need for a discipline in Philippine academia where the starting point is this space of entablado theater and performance Page 4 of cover **Das Argument** ,2009 **Gender, Culture, Difference** ,19??

The Ashgate Research Companion to Cosmopolitanism Maria Rovisco,Magdalena Nowicka,2016-04-01 The study of Cosmopolitanism has been transformed in the last 20 years and the subject itself has become highly discussed across the social sciences and the humanities The Ashgate Research Companion to Cosmopolitanism pursues distinct theoretical orientations and empirical analyses bringing together mainstream discussions with the newest thinking and developments on

the main themes debates and controversies surrounding the subject The contributions are grouped into three parts each reflecting a different analytical focus within a variety of intellectual disciplines and methodological approaches Part I Cultural Cosmopolitanism is primarily concerned with the empirically grounded aspects of cosmopolitanism which are apparent in mundane practices and lifestyle options on the micro scale of daily interactions It focuses on the outlooks and lived experience of ordinary individuals and groups in concrete situational contexts and social structures Part II Political Cosmopolitanism sets out the main topics and issues dealt with by scholars writing within the tradition of political cosmopolitanism Addressing timely issues such as human rights global justice and global democracy it focuses on Cosmopolitanism as an ethico political ideal and a political project to devise new forms of supranational and transnational governance Part III Debates reflects the major debates and controversies on the subject and deliberately eschews any bland consensus to instead foreground the key arguments and lively intellectual discussions in play across disciplinary divisions Featuring contributions from key thinkers in the field including Ulrich Beck David Held and Martha Nussbaum this comprehensive volume will be a valuable resource for all academics and students working within this area of study

Cosmopolitanism and Culture Nikos Papastergiadis, 2013-05-09 Today more than at any other point in history we are aware of the cultural impact of global processes This has created new possibilities for the development of a cosmopolitan culture but at the same time it has created new risks and anxieties linked to immigration and the accommodation of strangers This book examines how the images of the terrorist and the refugee by being dispersed across almost all aspects of social life have resulted in the production of ambient fears and it explores the role of artists in reclaiming the conditions of hospitality Since 9 11 contemporary artists have confronted the issues of globalization by creating situations in which strangers can enter into dialogue with each other collaborating with diverse networks to form new platforms for global knowledge Such knowledge does not depend upon the old model of establishing a supposedly objective and therefore universal framework but on the capacity to recognize and mutually negotiate situated differences From artworks that incorporate new media techniques to collective activism Papastergiadis claims that there is a new cosmopolitan imaginary that challenges the conventional divide between art and politics Through the analysis of artistic practices across the globe this book extends the debates on culture and cosmopolitanism from the ethics of living with strangers to the aesthetics of imagining alternative visions of the world Timely and wide ranging this book will be essential reading for students and scholars in sociology and cultural studies and will be of interest to anyone concerned with the changing forms of art and culture in our contemporary global age

Cosmopolitanism Homi K. Bhabha, 2000 This final installment of the Millennial Quartet addresses the question of whether cosmopolitanism ways of thinking feeling and acting beyond one's particular society is simply the universalism of a Western particular Assembling scholars from an array of disciplines including English literature and language romance languages art history South Asian studies and anthropology this special issue of Public

Culture recenters the theory and history of translocal political aspirations and cultural ideas from the traditional Western vantage point to areas outside Europe such as South Asia China and Africa By examining new archives framing new theoretical formulations and suggesting new possibilities of political practice these essays stretch the term cosmopolitanism to new definitions On the one hand cosmopolitanism may be taken to promise a form of supraregional political solidarity but on the other it may erode precisely those cultural differences that derive their meaning from a particular place and tradition Given that most cosmopolitan political formations from the Roman imperium to European imperialism to contemporary globalization have been coercive and unequal can there be a noncoercive and egalitarian cosmopolitan politics At the most elevated level of conceptualization while cosmopolitanism may promise a universalism of knowledge it more typically represents an unwarranted generalization of a European idea or practice
