Visionaries Visionaries

Pasquale De Marco

Visionaries Visionaries:

Lyrical Individualism Andre Colomer, 2024-06-18 In the early twentieth century Andr Colomer was perhaps the best known figure in the anarchist movement A poet philosopher activist and public speaker he was enmeshed in the Parisian political and artistic scene at a time of political and cultural revolution Amid the avant garde explosions of Cubism futurism and surrealism and the ferment of radical politics on left and right Colomer became anarchism s leading advocate He galvanized the Parisian public through his agitational writing and organizing as well as his involvement in a sensational murder case while developing a distinctive philosophical account of anarchist individualism Yet Colomer died in obscurity in Moscow abandoned by his friends and comrades and is scarcely known in the English speaking world today *Lyrical Individualism* presents a selection of Colomer s crucial writings with a focus on anarchist theory and the philosophy of Henri Bergson It reveals the richness of Colomer s philosophical work particularly his creative engagement with Bergson Max Stirner and Friedrich Nietzsche to forge a novel anarchist ideology Colomer s writings not only offer valuable insights into interwar anarchism they also present a distinctive philosophical vision that in many ways anticipates theories and debates animating radical political movements today This book also showcases his acerbic and pugnacious political commentary on the turbulent events of the 1910s and 1920s The first translation and publication of Colomer s work since his untimely death in 1931 *Lyrical Individualism* allows a range of readers to discover this vital thinker **Visionaries** James Huneker, 1905

The Grand Epoch Pasquale De Marco, 2025-08-12 This book is an immersive journey through the Grand Epoch a transformative period in human history marked by unprecedented advancements discoveries and innovations It is a time of profound changes that reshaped societies cultures and the very fabric of existence leaving an indelible mark on our world Within these pages readers will embark on a captivating exploration of the factors that propelled the Grand Epoch forward from the rise of groundbreaking technologies to the emergence of visionary leaders and thinkers They will witness the unfolding of scientific breakthroughs that expanded our understanding of the universe artistic masterpieces that captured the essence of the human experience and economic innovations that reshaped the global landscape The Grand Epoch was not without its challenges Readers will delve into the complexities of power dynamics ideological clashes and the struggle for justice and equality They will encounter obstacles that hindered progress tensions that divided societies and conflicts that erupted between nations Yet amidst the adversity they will also discover resilience adaptability and the indomitable spirit of humanity The legacy of the Grand Epoch extends far beyond its chronological boundaries Its contributions to science technology culture and society continue to shape our world today Readers will explore the enduring impact of this era on our current understanding of the universe our approaches to governance and economics and our expressions of creativity and self expression They will reflect on the lessons learned from both the triumphs and failures of the past seeking insights that can guide us as we navigate the complexities of the present and forge a path towards a brighter future The Grand Epoch

stands as a testament to the limitless potential of human endeavor a reminder that even in the face of adversity progress is possible This book is an invitation to explore the depths of our collective history to appreciate the achievements of those who came before us and to draw inspiration from their struggles and triumphs As readers journey through its pages they will embark on a voyage of discovery seeking to unravel the secrets of the Grand Epoch and to glean wisdom that can enrich their own lives and empower them to shape a better future for generations to come If you like this book write a review **The**

Millennial 1000 Pasquale De Marco,2025-08-14 The Millennial 1000 is a comprehensive and engaging look at the 1000 most influential people in the past 1000 years From visionaries and trailblazers to innovators and leaders this book covers a wide range of individuals who have shaped the course of human history Each chapter focuses on a different group of people such as artists scientists entrepreneurs and activists The book provides detailed biographies of each individual as well as an analysis of their impact on the world The Millennial 1000 is a valuable resource for anyone who wants to learn more about the history of the world and the people who have shaped it It is a book that will inspire you to think big dream big and make a difference in the world Pasquale De Marco has been studying and writing about the history of the world for over 20 years He has a deep understanding of the people and events that have shaped our world and he brings this knowledge to life in The Millennial 1000 This book is a must read for anyone who is interested in history biography or leadership It is a book that will stay with you long after you finish reading it If you like this book write a review **Political Engagement of the Young in**

Europe Peter Thijssen,Jessy Siongers,Jeroen Van Laer,Jacques Haers,Sara Mels,2015-12-14 Although many scholars are convinced of the apparent civic disengagement of youth others suggest that civic participation of young people is stable and increasingly expressed through non institutionalized forms of practicing politics This book makes a key contribution to this discussion by asking whether the decline or shift paradigm is sufficient in understanding political participation of the youth It argues that we need to move beyond this framework and develop a renewed reflection on the meaning of civic and political engagement It asks crucial questions such as How can the young be educated into assuming civic and political responsibility Why and how do young people engage in social and political action How do the principal mediating institutions education media and the family contribute to new or different forms of youth civic engagement This text contains contributions from acknowledged specialists such as Constance Flanagan Mark Elchardus Marc Hooghe and Bert Klandermans and will be of key interest to students and scholars of youth and young citizens civic political involvement European politics youth studies sociology political participation and electoral behaviour Harper's New Monthly Magazine Henry Mills Alden,Frederick

Lewis Allen, Lee Foster Hartman, Thomas Bucklin Wells, 1872 Important American periodical dating back to 1850 Urban Design Jon Lang, 1994 Urban Design the American Experience Jon Lang Urban Design The American Experience places social and environmental concerns within the context of American history It returns the focus of urban design to the creation of a better world It evaluates the efforts of designers who apply knowledge about the environment and people to the creation of

livable enjoyable and even inspiring built worlds Urban Design The American Experience emphasizes that urban design must take a user oriented approach to achieve a higher quality of life in human settlements All the keys to this approach are spelled out in chapters that address Urban design as both a product and process of communal decision making Types of knowledge required as a base for urban design action How to apply recent environmental and behavioral research to professional design How human needs are fulfilled through design The true role of functionalism in design Urban design efforts of the twentieth century in the United States are examined within their socio political context Jon Lang reviews the urban design experience from the beginning of the City Beautiful movement paying particular attention to developments since World War II He explores how the twentieth century city has developed as well as discusses the attitudes that have driven major movements in urban design Readers learn a neo Modernist approach that builds on the successes and failures of Rationalism and Empiricism the two major streams of Modernist thought in architecture and urban design They also gain an understanding of how the environment is experienced by people and the implications of this experiencing for architectural and urban design Numerous illustrations throughout demonstrate how various design schemes can be used Urban Design The American Experience provides architects designers city planners and students in these fields with a model for their own future development as professionals It is a valuable guide to design methodology procedural theory and other issues related to creating optimal urban environments
