The Conversion Code Chris Smith, 2016-02-11 If you need more traffic, leads, and sales, you need The Conversion Code. Neil Patel, co-founder of Crazy Egg, says: "We've helped 11,000 businesses generate more than 31 million leads, and consider The Conversion Code a must-read." Oli Gardner, co-founder of Unbounce, says: "We'd been closing 55% of our qualified appointments. We increased that to 76% as a direct result of implementing The Conversion Code." Dan Stewart, CEO of Happy Grasshopper, says: "The strategies in The Conversion Code are highly effective and immediately helped our entire sales team." The book explains the science behind selling in a way that is simple to remember and easy to implement. Steve Pacinelli, CMO of BombBomb, says: "Capture and close more Internet leads with a new sales script and powerful marketing templates. The Conversion Code provides a step-by-step blueprint for increasing sales in the modern Internet-driven era. Today's consumers are savvy, and they have more options than ever before. Capturing their attention and turning it into revenue requires a whole new approach to marketing and sales. This book provides clear guidance toward conquering the new paradigm shift towards online lead generation and inside sales. You'll learn how to capture those invaluable Internet leads, convert them into appointments, and close more deals. Regardless of product or industry, this proven process will increase both the quantity and quality of leads and put your sales figures on the rise. Traditional sales and marketing advice is becoming less and less relevant as today's consumers are spending much more time online, and salespeople are calling, emailing, and texting leads instead of meeting them in person. This book shows you where to find them, how to engage them, and how to position your company as the ideal solution to their needs. Engage with consumers more effectively online. Leverage the strengths of social media apps and blogs to capture more leads for less money. Convert more Internet leads into real-world prospects and sales appointments. Make connections on every call and learn the exact words that close more sales. The business world is moving away from belly-to-belly interactions and traditional advertising. Companies are forced to engage with prospective customers first online, the vast majority through social media, mobile apps, blogs, and live chat, before ever meeting in person. Yesterday's marketing advice no longer applies to today's tech-savvy, mobile-first, social media-addicted consumer, and the new sales

environment demands that you meet consumers where they are and close them quickly The Conversion Code gives you an actionable blueprint for capturing Internet leads and turning them into customers Google Apps Deciphered Scott Granneman, 2008-12-04 This is the eBook version of the printed book If the print book includes a CD ROM this content is not included within the eBook version Google Apps Deciphered Compute in the Cloud to Streamline Your Desktop Use Google Apps to Improve Productivity and Collaboration Reduce Costs and Eliminate Technology Hassles Google Apps gives you virtually all the business and productivity software you need all of it free or available at extremely low cost Because the suite of Google Apps runs on Google's network in the cloud you avoid the hassles that go with desktop software Getting started with Google Apps is easy but if you want to make the most of it you'll need expert guidance that Google's online help doesn't provide Get all the help you need right here This is your start to finish guide to setting up Google Apps migrating to it customizing it and using it to improve productivity communications and collaboration Scott Granneman introduces every leading component individually and shows exactly how to make them work together for you on the web or by integrating them with your favorite desktop apps You'll find practical insights on Google Apps email calendaring contacts wikis word processing spreadsheets presentations video and even Google's new web browser Chrome And drawing on his extensive experience helping companies move to Google Apps Granneman presents tips and tricks you simply won't find anywhere else Coverage includes Choosing the right edition of Google Apps for you Setting up Google Apps so it will be easier to use and manage Migrating your email contacts and calendars to Google Apps Administering and securing Google Apps Integrating Google Apps with other software and services Leveraging Google Sites to collaborate across teams organizations or the entire world Making the most of Google Talk voice calls and instant messaging Implementing Google's office productivity tools including Docs Spreadsheets and Presentations Using policy management and message recovery to control and secure your messaging Customizing efficient Google Apps Start Pages for you and your colleagues Sharing important and useful videos with your colleagues Maximizing the innovative features of Google's new web browser Chrome SCOTT GRANNEMAN is an author teacher and entrepreneur with extensive experience in Google Apps migration setup and training As Adjunct Professor at Washington University he teaches popular courses on technology security and the Internet A monthly columnist for SecurityFocus and Linux Magazine he has authored four books on open source technologies including The Linux Phrasebook As a principal at WebSanity he manages the firm's UNIX server environment and helps develop its Content Management System which is used by educational business and non profit clients nationwide www.1and100zeroes.com
