Lincoln President Elect of the United States of America Abraham Lincoln, 1861 *Childrens' Catalog* H.W. Wilson Company, 2009 The 1st ed includes an index to v 28 36 of St Nicholas **Recollections of President Lincoln and His**

Administration Lucius Eugene Chittenden, 1891 Recollections of L E Chittenden who served as the Register of the Treasury in Lincoln's administration *Herndon's Lincoln - The History and Personal Recollections of Abraham Lincoln by William Herndon - Vol I* Abraham Lincoln, 2020-10-16 A Quarter of a century has well nigh rolled by since the tragic death of Abraham Lincoln The prejudice and bitterness with which he was assailed have disappeared from the minds of men and the world is now beginning to view him as a great historical character Those who knew and walked with him are gradually passing away and ere long the last man who ever heard his voice or grasped his hand will have gone from earth With a view to throwing a light on some attributes of Lincoln's character heretofore obscure and thus contributing to the great fund of history which goes down to posterity these volumes are given to the world If Mr Lincoln is destined to fill that exalted station in history or attain that high rank in the estimation of the coming generations which has been predicted of him it is alike just to his memory and the proper legacy of mankind that the whole truth concerning him should be known The story of his life is truthfully and courageously told nothing coloured or suppressed nothing false either written or suggested the reader will see and feel the presence of the living man He will in fact live with him and be moved to think and act with him If on the other

hand the story is coloured or the facts in any degree suppressed the reader will be not only misled but imposed upon as well At last the truth will come and no man need hope to evade it There is but one true history in the world said one of Lincoln s closest friends to whom I confided the project of writing a history of his life several years ago and that is the Bible It is often said of the old characters portrayed there that they were bad men They are contrasted with other characters in history and much to the detriment of the old worthies The reason is that the Biblical historian told the whole truth the inner life The heart and secret acts are brought to light and faithfully photographed In other histories virtues are perpetuated and vices concealed If the life of King David had been written by an ordinary historian the affair of Uriah would at most have been a quashed indictment with a denial of all the substantial facts You should not forget there is a skeleton in every house The finest character dug out thoroughly photographed honestly and judged by that standard of morality or excellence which we exact for other men is never perfect Some men are cold some lewd some dishonest some cruel and many a combination of all The trail of the serpent is over them all Excellence consists not in the absence of these attributes but in the degree in which they are redeemed by the virtues and graces of life Lincoln s character will I am certain bear close scrutiny I am not afraid of you in this direction Don t let anything deter you from digging to the bottom yet don t forget that if Lincoln had some faults Washington had more few men have less In drawing the portrait tell the world what the skeleton was with Lincoln What gave him that peculiar melancholy What cancer had he inside **The Publishers Weekly** ,1879
