Alamo Defenders James W. Bancroft, 2025-11-04 At a critical stage of the Texas Revolution a large Mexican army surrounded a makeshift fortification known locally as the Alamo It was there that a small defensive force of mostly Texans had become holed up and where they vowed to never surrender or retreat After a siege lasting thirteen days the Mexicans assaulted the fortification during the early hours of Sunday 6 March 1836 Except for a few women and children and one male slave everyone inside was killed All this is well known and to this day the Alamo Mission is an American national monument sacred to the people of Texas The Battle of Alamo sits alongside such dramatic last stands as Little Big Horn and Rorke's Drift as one of the most heroic and sacrificial battles against the odds in military history But what few realize is that a large number of those who fought and died for Texas at the Alamo were British For the first time the stories of these men their lives and their deaths at the Alamo are revealed They include an Englishman named William Blazeby who led a troop of New Orleans Greys a Scotsman named John McGregor who took to his bagpipes and accompanied Davy Crockett on the fiddle to keep up the spirits of the defenders and an Irishman named Robert Evans who as Master of Ordnance was shot down while trying to set light to the gunpowder in the chapel when the battle was lost Through men such as these the full story of this iconic encounter in the history of the United States of America is told in detail by the author The

roles of the opposing commanders the infamous General Santa Anna and Lieutenant Colonel William Buck Travis are also examined At the same time James Bancroft also investigates the death of James Bowie renowned of course for his large hunting knife and Davy Crockett Exactly how the so called King of the Wild Frontier met his end has been the subject of controversial debate ever since Texas fought off its Mexican shackles thanks in no small measure to those Britons who stood shoulder to shoulder with their American comrades on the crumbling walls of the Alamo more than 185 years ago
