Winter War Graphic Novel:

Winter War Kurt Belcher, 2019-09-30 Winter War is about the 100 day war of Finland against the invading Soviet Union army at the dawn of World War II. Sniper Tero Toivanen answers the call from his homeland Finland when it is attacked by the USSR which seeks a buffer zone against Nazi Germany. Although the Soviets anticipated a quick victory against the small Finnish army made up of largely citizen soldiers, the Finns used the advantage of their winter to hold off the Soviets for an amazing four months. In this fictionalized account but based on real situations, Tero and his allies Niklas and Manu are deployed to southern Finland to stop the Russian division attacking over the frozen Lake Hirvasjärvi. Seeing plenty of death and destruction and the hopelessness a Finnish winter can bring, the three get a taste of the horrors of war. Will it be enough to freeze even their hearts accustomed to the deepest cold? Collects complete comic book series issues 1-4. The stark black and white art is a perfect pairing for the story. First Comic News War is not glorious, it is not honorable, it is bloody and violent and terrifying, a tremendous job of portraying that. Cosmic Book News One of the better books I've read that really helps humanize war and soldiers. Comixverse A Caliber Comics release

Will it be enough to freeze even their hearts accustomed to the deepest cold? THIS ISSUE The conclusion to the Winter War series brings an end to one of the opening salvos that began the Second World War. Here we find Finnish sniper Tero Toivanen as he tries to stay alive and deal with the horrors of war with his fellow countrymen against the Soviet invasion. They all come to realize how unimportant the people and sovereignty of the Finnish nation is on the world political stage when no one comes to their aid.

Cultures of War in Graphic Novels Tatiana Prorokova, Nimrod Tal, 2018-07-06. First runner up for the 2019 Ray and Pat Browne Award for the Best Edited Collection in Popular and American Culture. *Cultures of War in Graphic Novels* examines the representation of small scale and often less acknowledged conflicts from around the world and throughout history. The contributors look at an array of graphic novels about conflicts such as the Boxer Rebellion 1899-1901, the Irish struggle for national independence 1916-1998, the Falkland War 1982, the Bosnian War 1992-1995, the Rwandan genocide 1994, the Israel Lebanon War 2006, and the War on Terror 2001. The book explores the multi-layered relation between the graphic novel as a popular medium and war as a pivotal recurring experience in human history. The focus on largely overlooked small scale conflicts contributes not only to advance our understanding of graphic novels about war and the cultural aspects of war as reflected in graphic novels but also our sense of the early twenty first century in which popular media and limited conflicts have become closely interrelated.
