Wiped The Curious History Of Toilet Paper:

Wiped Ronald H Blumer, 2013-05-21 FULL COLOR LARGE FORMAT EDITION How did people clean their rear ends before the invention of paper The ancient Greeks used stones Really This rear window view of the history of the world also details how the kings and queens of England and France wiped their royal asses Not like you and I What does Judaism Islam and Buddhism have to say about this act Surprisingly a lot How did an ass kisser that is man who actually kissed his patron s ass almost become pope Who is the real father of toilet paper You won t find the answer on the Internet Why do most people in the world think that wiping with paper is disgusting Is there a better way This is the first book ever written which presents a well documented history of something that every human being has done every day since the beginning of time

Psychoanalysis and Toileting Paul Marcus, 2023-02-27 Psychoanalysis and Toileting is an accessible book that delineates and interprets the psychological meanings of defecating and urinating in everyday life Paul Marcus work gives the clinician an in depth view of an activity that every patient and practitioner engage in and shows how not dealing with toileting in its wide range of social and practical contexts leaves out a huge aspect of the patient s everyday experience Drawing from psychoanalytic theory and practice the author discusses such subjects as constipation diarrhea and irritable bowel syndrome adult female incontinence toilet cursing public toilet graffiti and toilet humor The book also considers the personal meaning of urinating and defecating as seen in men suffering from an enlarged prostate in excremental assault in the Nazi concentration camps and in dreaming Marcus considers not only what is typically negative about these experiences but what can be seen as positive in terms of growth and development for the ordinary person The book is illustrated throughout with clinical vignettes and observations taken from the author s private practice Psychoanalysis and Toileting will be a key text for psychoanalysts and psychoanalytic psychotherapists in practice and in training It will also be relevant to other mental health practitioners

Discard Studies Max Liboiron, Josh Lepawsky, 2022-05-24 An argument that social political and economic systems maintain power by discarding certain people places and things Discard studies is an emerging field that looks at waste and wasting broadly construed Rather than focusing on waste and trash as the primary objects of study discard studies looks at wider systems of waste and wasting to explore how some materials practices regions and people are valued or devalued becoming dominant or disposable In this book Max Liboiron and Josh Lepawsky argue that social political and economic systems maintain power by discarding certain people places and things They show how the theories and methods of discard studies can be applied in a variety of cases many of which do not involve waste trash or pollution Liboiron and Lepawsky consider the partiality of knowledge and offer a theory of scale exploring the myth that most waste is municipal solid waste produced by consumers discuss peripheries centers and power using content moderation as an example of how dominant systems find ways to discard and use theories of difference to show that universalism stereotypes and inclusion all have politics of discard and even purification as exemplified in inclusive efforts to broaden the Black Lives
