Wishbone A Memoir In Fractures:

Wishbone Julie Marie Wade, 2014-11-24 For a long time everything only happened to other people Julie Wade writes Or so she thought She records her falls The stunned body the purloined speech she experiences after crashing to the ground from a swing The sensation of slipping from the platform saddle atop a circus elephant sliding flat as a penny against his wrinkled skin rattling the bones of my ribs The shame and uncertainty of being spilled from the security of parental love And finally triumphantly the felix culpa the fortunate fall of love Juxtaposed against the fragmentary structure of the memoir this fall comprises both the energy source the burning center of the book and its thematic vantage point Falling in love is an explosion in Julie's mind as well as her body an epiphany that remakes the map of her world slicing the knot of her parents' shame unmasking the visceral truths of her body In love she is in motion reimagining the past striking out on road trips Suddenly she is living grabbing tasting writing her mouth full of honey and moonlight her mind afire And we are reminded yes this is what love does this is how it saves us Julie Wade has received the Oscar Wilde Poetry Prize 2005 the Literal Latte Nonfiction Award 2006 the AWP Intro Journals Award for Nonfiction 2009 the American Literary Review Nonfiction Prize 2010 the Arts Letters Nonfiction Prize 2010 the Thomas J Hruska Nonfiction Prize 2011 the Lambda Literary Award for Lesbian Memoir 2011 and seven Pushcart Prize nominations *The Golden Shovel Anthology* Terrance Hayes, 2019-06-07 The cross section of poets with varying poetics and styles gathered here is only one of the many admirable achievements of this volume Claudia Rankine in the New York Times *The Golden Shovel Anthology* celebrates the life and work of poet and civil rights icon Gwendolyn Brooks through a dynamic new poetic form the Golden Shovel created by National Book Award winner Terrance Hayes An array of writers including winners of the Pulitzer Prize the T S Eliot Prize and the National Book Award as well as a couple of National Poets Laureate have written poems for this exciting new anthology Rita Dove Billy Collins Danez Smith Nikki Giovanni Sharon Olds Tracy K Smith Mark Doty Sharon Draper Richard Powers and Julia Glass are just a few of the contributing poets This second edition includes Golden Shovel poems by two winners and six runners up from an international student poetry competition judged by Nora Brooks Blakely Gwendolyn Brooks's daughter The poems by these eight talented high school students add to Ms Brooks's legacy and contribute to the depth and breadth of this anthology dirtcakes 2.1 "Girls Will Be Women" Catherine Keefe, 2012-05-25 *Girls Will Be Women* is dirtcakes Volume 2 Number 1 dirtcakes is a journal of poetry prose photography and art dedicated to exploring diverse concepts suggested by the UN Millennium Development Goals to eradicate extreme poverty **Small Fires** Julie Marie Wade, 2011-11-15 A collection of essays from the author of *Same Sexy Marriage* A painfully honest but beautiful journey Heartfelt and hopeful Minneapolis Star Tribune This is a daughter's story In *Small Fires* Julie Marie Wade recreates the landscape of her childhood with a lacemaker's care then turns that precise attention on herself There are floating tea lights in the bath cuddled blossoms in the garden and a mother straddling her teenage daughter's back astringent in hand to better scrub her not quite

presentable pores And throughout Wade traces this lost world with the same devotion as her mother among her award winning roses Small Fires is essay as elegy but it is also essay as parsing reconciliation and celebration all in the attempt to answer the question what have you given up in order to become who you are Reckoning with imperfect parents what they owe us and what we owe them is one of the chief tasks of these essays which form a kind of pointillistic autobiography Another is the construction of memories even imagined in which understanding and forgiveness trump judgment and hate Throughout the writing is sharp surprising and precise The Boston Globe In Small Fires Julie Marie Wade considers family and memory with a poetic eye and unabashed tongue It is Julie Marie Wade s story but the collection opens onto something universal how we individuate from our family how we become ourselves what we carry forward from our pasts and make our own Lambda Literary A book of essays that left me transfixed and transformed through brilliant prose and ideas It s like finding a time capsule of nostalgic treasures Brevity **Dragonflies in the Cowburbs** Dreese, Donelle,2015-03-12

Francesca Butler Fresca is a 17 year old girl who lives in what she calls the cowburbs Not quite the country and not quite the suburbs the cowburbs offer Fresca adventure and room to grow but also confusion and loneliness The story is told from the point of view of a smart and sometimes sarcastic teenage girl who struggles to find happiness after the tragic death of her father the mysterious disappearance of her friend Laurel Dee and her boyfriend s battle with Internet Addiction Disorder Fresca loses a friend who dies from inhaling fumes from an aerosol can and develops a close bond with her best friend Veronica who eases her through a case of textitis from too much texting Veronica becomes an inspiring role model for Fresca when she shaves off all of her hair to protest the importance placed on physical attractiveness in their high school Fresca also depicts a close relationship with her mother whose seventh sense allows her to understand Fresca in intimate ways but this relationship is challenged when her mother acquires a new boyfriend who doesn t seem to like Fresca or teenagers in general With the help of her mom her friends and a sense of humor Fresca discovers that love and happiness are not only possible but waiting for her amidst a flock of dragonflies Postage Due Julie Marie Wade,2013 A lively addition to the

The Body Broken Lynne Greenberg, 2009-03-24 In the tradition of William Styron's tour de force *Darkness Visible* *The Body Broken* is a gorgeously told and intensely moving account of one woman's extraordinary odyssey into a life of chronic pain and of the unyielding resilience of the human spirit At age nineteen Lynne Greenberg narrowly survived a devastating car crash When her broken neck healed or so everyone thought her recovery was hailed as a medical miracle and she returned to normal life Years later she seemed to have it all a loving husband two wonderful children a peaceful home and a richly satisfying job as a tenured poetry professor Then one morning this blissful fa ade shattered the pain in her neck returned in the most vicious way A life with physical agony ensued Greenberg realized that she had been living for years on

borrowed time As she and her family navigated an increasingly complicated web of doctors and specialists Greenberg taught herself to fight her own battles against a medical system ill equipped to handle patients with chronic pain and against the emotional pitfalls of a newly restricted life Drawing on her family's support her own indomitable spirit and an intense connection to the poetry she taught Greenberg found the strength to return to a productive and satisfying if irrevocably changed life This deeply personal saga takes us to the heart of a family's struggle to survive a crisis and shows us how at the most profound levels such an odyssey affects a patient's marriage the ability to parent family work and friendships The Body Broken is a powerful lyrical story of one woman's remarkable determination and breathtaking courage as she puts mind over matter in the struggle to reclaim her life

Give Yourself a Hug- How I Survived a Broken Leg Gisele Pozark,2018-05-04 People survive a broken leg I did Surprising to me was not how long the leg took to heal but all the other things that went with the healing All the things I needed to do while in the cast and then out of it No one tells you these things and how much work you'll need to do Your emotions can be all over the place There are ups and downs Some funny times and not so fun times The broken leg affects everything thing you do in your daily life and it affects the people around you That said let others help you They want to Trust me on that So be strong and work hard When things get tough don't forget to Give yourself a hug
