Leverton,2016-02-17 While digging palaces in the dirt as a child motivated by her sister who only wanted to be free of caring for the younger sibling April Leverton learned how to use the power of her mind early in life Unfortunately she forgot and abandoned these powers as many of us do Conditioned by her upbringing she sought to relieve others of pain by taking on pain herself She believed cruel words from a teasing brother who consciously meant no harm Words emit power to go deep into our cells Patterns were set and she journeyed through a few personal hells and back until the light that is within all of us began to shine for April again For any of you who are suffering or who are told there is no cure no medicine no pills or surgery to ease chronic pain and debilitating or even terminal diseases turn these pages and discover for yourself the power of belief and the ability to induce self healing Dr Bernie Siegel says what April has discovered for herself Life is a miracle and we need to not fear trying to achieve our potential and reveal the remarkable creation we and all living things are and that our Creator has built into us the ability to induce self healing Follow April as she journeys through her life to find and use the power that we all hold if only we believe She eliminates fear and welcomes every moment of life She shares her own discoveries providing you the simplest road map for you to take and make your own healing journey Use the power of your mind to create the health you want and also your dreams April shows how thought patterns created illness and how she used her mind to eradicate those illnesses Incurable is a word that has no meaning to April **Everyday Wisdom** Dr. Wayne W. love and strength is a part of everyone can help kids grow to meet their greatest potential in life The book uses a rhyme and illustrations to teach this lesson and help children realize that they are greater than they ever imagined There is also a special section at the end that teaches the important meaning and way to use the words I am to create love happiness and greatness in their own lives and the world *Secrets of the Universe* Wayne W. Dyer,1991-02-01 DISCOVER THE SECRETS OF A WHOLE NEW WORLD The world s foremost producer of personal development and motivational audio programs offers a way to look at the world that will lead you to soar above self imposed limits In his perennial bestsellers You ll See It When You Believe It and Your Sacred Self Dr Wayne Dyer has helped millions of listeners realize their potential by looking within In this imaginative allegorical program he takes you far away to the planet Uranus where you will discover why neuroses and anxieties serve a purpose there and why they do not on Earth Wayne introduces you to an inhabitant of Uranus Eykis who reveals some all important secrets to enjoying every moment of every day including how to Choose control and direct your destiny Manage your emotions Have faith and follow your dreams regardless of outside influences Seek solutions instead of problems Wayne Dyer will tell you the secrets you need to know today Living an Inspired Life Dr. Wayne W. Dyer,2016-03-01 What I m offering in this book is the awareness that we can return to a full time position of inspiration which is the true meaning of our life Dr Wayne W Dyer There s a voice in the Universe entreating us to remember our purpose our reason for being here now in this world of impermanence The voice whispers shouts and sings to us that this experience of being in form in space and time has meaning That voice belongs to inspiration which is within each and every one of us The feelings of emptiness the idea that there must be something more wondering Is this all there is and trying to determine the meaning of life this is all evidence of a yearning to reconnect with our soul space We re aching for our calling to be felt and expressed In *Living an Inspired Life* previously published under the title *Inspiration* Dr Wayne W Dyer explains how we ve chosen to enter this world of particles and form From our place of origin in ways that we don t readily comprehend now we knew what we were coming here to accomplish and we participated in setting this life process in motion So why not think along these same lines Why put the responsibility or blame on any one or any thing that s not a part of us On Earth we have the capacity of volition we can choose so let s assume that we had the same capacity when we resided in the spiritual realm We chose our physical body and we chose the parents we needed for the trip It doesn t seem too great a stretch to move into the idea that we chose this life in concert with our Source Inspiration can be cultivated and be a driving force throughout life rather than showing up every now and then and just as mysteriously disappearing seemingly independent of our desires Inspiration is for everyone It isn t reserved for high profile creative geniuses in the arts and sciences it s inherent in our Divine birthright The problem is that as children we re gradually taught to believe exclusively in the world of phenomena where ego is dominant and inspiration diminished As you read each chapter in this book you ll find specific suggestions for living in Spirit From a very personal viewpoint Wayne offers a blueprint through the world of

inspiration your ultimate calling **The Shift** Dr. Wayne W. Dyer, 2010-03-01 The 1 New York Times best selling author of *Excuses Begone* *The Shift* the book inspired by the movie of the same name illustrates how and why to make the move from ambition to meaning Download *The Shift* and allow these lessons to guide you down a more authentic and rewarding path today As we contemplate leaving the morning of our life where ego has played a commanding role and entering the afternoon and evening where meaning and purpose replace ambition and struggle we may encounter unexpected occurrences that accompany this new direction It s almost a universal law that we ll experience a fall of some kind Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose *The Shift* doesn t mean that we lose our drive and ambition it signifies that we become ambitious about something new We make a commitment to living a life based on experiencing meaning and feeling purposeful rather than a life based on never ending demands and false promises that are the trademark of the ego s agenda [Your Ultimate Calling](#) Dr. Wayne W. Dyer, 2008-05-01 I ve put together this book because I know without any doubt that inspiration can be cultivated and be a driving force throughout life rather than showing up every now and then and just as mysteriously disappearing seemingly independent of our desires Inspiration is for everyone It isn t reserved for high profile creative geniuses in the arts and sciences it s inherent in our Divine birthright As you read each of the entries within these pages you ll find specific suggestions for living in Spirit I m offering you a blueprint through the world of inspiration your ultimate calling Dr Wayne W Dyer [Getting in the Gap](#) Dr. Wayne W. Dyer, 2021-08-10 *Why Meditate* The practice of meditation takes us on a fabulous journey into the gap between our thoughts where all the advantages of a more peaceful stress free healthy and fatigue free life are available but they re merely side benefits The paramount reason for daily meditation is to get into the gap between our thoughts and make conscious contact with the creative energy of life itself In this uplifting book Dr Wayne W Dyer explains the soul nourishing meditation technique for making conscious contact with God which the ancient masters have told us about You have all the potential to be an instrument of the highest good for all concerned and to be a literal miracle worker in your own life No person government entity or religious group can legitimately claim to do this for you In fact says Dr Dyer I agree with Carl Jung who said that one of the main functions of formalized religion is to protect people against a direct experience of God Dr Dyer helps you have this direct experience by leading you through the meditation technique in the accompanying audio download When you master getting into the gap stay there for prolonged segments of meditation and experience what you bring back into the world you ll truly know the answer to the question *Why meditate*
