unexpectedly ill and falls into a coma just as Simon is preparing to fly with his band to Los Angeles for a gig that could revive his career Simon must learn the meaning of sacrifice while Stella's best friend Libby a doctor who treats Stella must also make a difficult choice as the coma wears on When Stella at last awakes from her two month sleep she emerges into a striking new reality where Simon and Libby have formed an intense bond and where she discovers that she has acquired a startling artistic talent of her own the ability to draw portraits of people in which she captures their innermost feelings and desires Stella's whole identity but also her role in her relationships has been scrambled and she has the chance to form a new life one she hadn't even realized she wanted A story of love loyalty loss and resilience With or Without You is a page turner that asks the question What do we owe the other people in our lives and when does the cost become too great
