Without Me The Mind Breaker Accounts Volume 1:

Without Me Megan Duke, 2012-04-12 Hayden Laevary or Denni to anyone that matters was just a normal 21 year old fashion school graduate living in New York City That was until she met Amos until she found herself living in a flat in Manchester England managing a department store and barely making it by on Amos s freelance acting budget Despite all of that there was no doubt in Denni s mind that Amos was the one However an aquamarine eyed boy who worked at The Coffee Shop managed to catch her attention Eventually she discovered it wasn t just a crush that caused this stranger to intrude her thoughts so much A secret world of mind control remained dormant in her present life until one day she found herself with the same power Soon she realized that the people she thought she knew and the life she d most recently grown accustomed to might not have ever been real in the first place This of course is Denni s past Even though the pain of remembering the past three years of her life on the hunt to find the truth stings deep now she is forced to retell her story from the beginning in hopes that the worst of it will never happen again
