Story Work/Story Play Mary LaMont,2023-05-02

A central assumption of narrative spirituality is that the act of retelling the story of episodes of our lives can help us better see the larger Guiding Story that God dreams for us When I can see my Guiding Story more clearly I am better able to handle crisis and transition and better able to see my true purpose Story Work Story Play lays out a four door method of spirituality that invites participants to explore their Guiding Story through four doors that correspond to the four parts of any story a main character a problem to solve the power needed to solve it and the action taken by the main character The chapter for each of these four doors provides theological psychological and scriptural foundations for the narrative method and includes up to ten to fifteen story work story play exercises the reader can use to practice the method Each chapter also includes profile stories of real people who have discovered layers of their own Guiding Stories The book ends each chapter with a Guided Visualization The book's final chapter explains how members of a narrative circle can use the narrative spirituality tools of this book to discern each one's own unique Guiding Story

Secrets of a Charmed Life Susan

Meissner,2015-02-03 The author of A Bridge Across the Ocean and The Last Year of the War journeys from the present day to World War II England as two sisters are separated by the chaos of wartime Current day Oxford England Young American scholar Kendra Van Zant eager to pursue her vision of a perfect life interviews Isabel McFarland just when the elderly woman is ready to give up secrets about the war that she has kept for decades beginning with who she really is What Kendra receives from Isabel is both a gift and a burden one that will test her convictions and her heart 1940s England As Hitler wages an unprecedented war against London's civilian population hundreds of thousands of children are evacuated to foster homes in the rural countryside But even as fifteen year old Emmy Downtree and her much younger sister Julia find refuge in a charming Cotswold cottage Emmy's burning ambition to return to the city and apprentice with a fashion designer pits her against Julia's profound need for her sister's presence Acting at cross purposes just as the Luftwaffe rains down its terrible destruction the sisters are cruelly separated and their lives are transformed

Critical Issues in User Interface Systems

Engineering David Benyon,Philippe Palanque,2012-12-06 This book developed from an IFIP workshop which brought together methods and architecture researchers in Human Computer Interaction and Software Engineering To an extent this introduction is a little unfair to the authors as we have distilled the results of the workshop to give the reader a perspective

of the problems within integrated approaches to usability engineering The papers could not hope to address all of the issues however we hope that a framework will help the reader gain further insights into current research and future practice The initial motivation was to bring together researchers and practitioners to exchange their experiences on Graphical User Interface design problems The two groups represented methodological and architecture tools interests so the workshop focused on intersection of how methods can support user interface development and vice versa how tools architectures and reusable components can empower the design process There is we believe a constructive tension between these two communities Methodologists tend to approach the design problem with task domain organisational analysis while the tool builders suggest design empowerment envisioning as a means of improving the way users work rather than relying on analysis of current systems This debate revolves around the questions of whether users current work is optimal or whether designers have the insight to empower users by creating effective solutions to their problems Tool builders typically want to build something then get the users to try it while the methodologists want to specify something validate it and then build it

wasn't until later in life after suffering through a painful breakup and the death of a friend that Anne's wonderlust fully ignited and she embarked on a series of adventures exploring the mystical and unexplained. In *Adventures of a Soul Psychics Mediums the Mystical and Me* Anne takes readers along on a wild ride as she searches for the truth about psychics and mediums, reincarnation and soul mates, angels and spirit guides, and for true love. You'll get an inside view as she meets with top psychics for in-depth readings, witnesses a friend's struggle with newfound medium abilities, converses with the dead, discovers past lives, develops startling intuitive abilities, communicates with angels and spirit guides, and finds a soul mate who curls her toes and heals her heart. Honest, poignant, funny, and unique, *Adventures of a Soul* is part memoir, part self-help book, and part New Age guidebook. It is the inspiring story of one woman's mind-blowing adventures that radically transformed her worldview and her life. If you've ever been curious about the paranormal, wondered what a psychic or medium reading is really like, pondered life after death, or lives before this one, or felt there might be more to reality than what meets the eye, this book is for you. Reading it might just make the paranormal your new normal too.

[The Goddess Myth in Contemporary Literature and Popular Culture](#) Mary J. Magoulick, 2022-02-04 Honorable Mention for the 2022 Elli King's Maranda Prize awarded by the Women's Section of the American Folklore Society. Goddess characters are revered as feminist heroes in the popular media of many cultures. However, these goddess characters often prove to be less promising and more regressive than most people initially perceive. Goddesses in film, television, and fiction project worldviews and messages that reflect mostly patriarchal culture, including essentialized gender assumptions. In contrast to the feminist empowering levels many fans and critics observe, building on critiques of other skeptical scholars, this feminist folkloristic approach deepens how our remythologizing of the ancient past reflects a contemporary worldview and rhetoric. Structures of contemporary goddess myths often fit typical extremes as either vilified, destructive, dark, and chaotic, typical in film or television, or romanticized, positive, even utopian, typical in women's speculative fiction. This goddess spectrum persistently essentializes gender, stereotyping women as emotional, intuitive, sexual, motherly beings, good or bad, precluded from complex potential and fuller natures. Within apparent good-over-evil pop culture narrative frames, these goddesses all suffer significantly. However, a few recent intersectional writers like N.K. Jemisin break through these dark reflections of contemporary power dynamics to offer complex characters who evince hopepunk. They resist typical, simplified, reductionist absolutes to offer messages that resonate with potential for today's world. Mythic narratives featuring goddesses often do but need not serve merely as ideological mirrors of our culture's still problematically reductionist approach to women and all humanity.

The Top Books of the Year Wizard Of Oz Guide Questions The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year.

The Must-Read : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph.

Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
