Women And Gender In Twentieth Century China Gender And History

Daniel F McAuley

Women And Gender In Twentieth Century China Gender And History:

Women and Gender in Twentieth-Century China Paul J. Bailey, 2012-08-29 Paul J Bailey provides the first analytical study in English of Chinese women's experiences during China's turbulent twentieth century. Incorporating the very latest specialized research and drawing upon Chinese cinema and autobiographical memoirs, this fascinating narrative account explores the impact of political, social, and cultural change on women's lives and how Chinese women responded to such developments. Charts the evolution of gender discourses during this period. Illuminates both change and continuity in gender discourse and practice. Approachable and authoritative, this is an essential overview for students, teachers, and scholars of gender history and anyone with an interest in modern Chinese history.

Women in China's Long Twentieth Century

Gail Hershatter, 2007-03-29 An important and much needed introduction to this rich and fast growing field. Hershatter has handled a daunting task with aplomb. Susan L. Glosser, author of *Chinese Visions of Family and State* 1915-1953. *Gender and Chinese History* Beverly Jo Bossler, 2015-06-01 Until the 1980s a common narrative about women in China had been one of victimization: women had dutifully endured a patriarchal civilization for thousands of years, living cloistered, uneducated lives separate from the larger social and cultural world until they were liberated by political upheavals in the twentieth century. Rich scholarship on gender in China has since complicated the picture of women in Chinese society, revealing the roles women have played as active agents in their families, businesses, and artistic communities. The essays in this collection go further by assessing the ways in which the study of gender has changed our understanding of Chinese history and showing how the study of gender in China challenges our assumptions about China, the past, and gender itself.

Gender and Education in China

Paul J. Bailey, 2007-02-12 Using primary evidence such as official documents, newspapers, and memoirs, Paul Bailey analyzes the significance, impact, and nature of women's public education in China from its beginnings at the turn of the twentieth century.

Women and Gender in Chinese Studies

Nicola Spakowski, Cecilia Nathansen Milwertz, 2006 The State of the World's Girls report has tackled many topics: girls in the global economy, education, girls affected by conflict and by disaster, the new digital world and its implications, both negative and positive, for girls' lives, the challenges and risks of increasing urbanisation, working with men and boys, and looked at attitudinal, structural, and institutional barriers to gender equality.

Women, Gender, and Sexuality in China

Ping Yao, 2021-12-30 *Women, Gender, and Sexuality in China: A Brief History* serves as a focal textbook for undergraduate courses on women, gender, and sexuality in Chinese history. Thematically structured, it surveys important aspects of gender systems and gender practices throughout Chinese history from the earliest period to the modern era. Topics include the concept of yin-yang, life course and gender roles, kinship systems and family structure, marriage practices, sexuality, women's work and daily life, as well as gender in Chinese mythology, religions, medicine, art, and literature. In narrating how various traditions and practices were formed and evolved throughout Chinese history, this textbook draws heavily on personal stories and historical records. Features in this

textbook include Primary source sections for each chapter introducing students to types of documents that have been used by scholars in conducting research Thirty three translated texts of various genres including epitaph bronze inscription medical text imperial edict legal case family letter ghost story divorce paper poetry autobiography etc Dedicated biography sections for five distinguished women Offering richly layered accounts of women gender and sexuality this textbook is essential reading for students of Chinese history gender in world history or the comparative history of gender

Gender and Education in China Paul John Bailey, 2007 Gender and Education in China analyzes the significance impact and nature of women's public education in China from its beginnings at the turn of the twentieth century Educational change was an integral aspect of the early twentieth century state building and modernizing reforms implemented by the Qing dynasty as a means of strengthening the foundations of dynastic rule and reinvigorating China's economy and society to ward off the threat of foreign imperialism A significant feature of educational change during this period was the emergence of official and non official schools for girls Using primary evidence such as official documents newspapers and journals Paul Bailey analyzes the different rationales for women's education provided by officials educators and reformers and charts the course and practice of women's education describing how young women responded to the educational opportunities made available to them Demonstrating how the representation of women and assumptions concerning their role in the household society and polity underpinned subsequent gender discourses throughout the rest of the century Gender and Education in China will appeal to students and scholars of Chinese history gender studies women's studies as well as an interest in the history of education

Gender and Sexuality in Modern Chinese History Susan L. Mann, 2011-09-19 Gender and sexuality have been neglected topics in the history of Chinese civilization despite the fact that there is a massive amount of historical evidence on the subject China's late imperial government was arguably more concerned about gender and sexuality among its subjects than any other pre modern state How did these and other late imperial legacies shape twentieth century notions of gender and sexuality in modern China Susan Mann answers this by focusing on state policy ideas about the physical body and notions of sexuality and difference in China's recent history from medicine to the theater to the gay bars from law to art and sports More broadly the book shows how changes in attitudes toward sex and gender in China during the twentieth century have cast a new light on the process of becoming modern while simultaneously challenging the universalizing assumptions of Western modernity

The Routledge Companion to Gender and Childhood Mary Zaboriskis, 2025-06-30 The Routledge Companion to Gender and Childhood brings together scholars practitioners and activists to explore the diversity of children's gender identities expressions and embodiments across historical geographical and cultural contexts This volume investigates how historical institutional and cultural forces have shaped children's relationship to gender the pivotal role children have played in the construction of gendered categories as well as children's responses to these forces and constructions The book is divided into six sections Responding to Gendered Histories and Presents of Policing

Pathologization and Trauma Images of and Imaginings for Trans Non Binary and Queer Youth s Futures Global Perspectives on Training and Assimilating Future Citizens Gender Development in Material and Digital Cultures Shifting and Persisting Gendered Representations in Cultural Landscapes and Approaching Issues of Gender and Childhood from Adult Perspectives Considering the multiplicity of gendered childhoods alongside the intense preoccupation with children s relationship to gender across a range of fields that span the globe The Routledge Companion to Gender and Childhood will be an essential resource for students of social sciences humanities and STEM

A Primer for Teaching Women, Gender, and Sexuality in World History Merry E. Wiesner-Hanks, Urmi Engineer Willoughby, 2018-09-27 A Primer for Teaching Women Gender and Sexuality in World History is a guide for college and high school teachers who are teaching women gender and sexuality in history for the first time for experienced teachers who want to reinvigorate their courses for those who are training future teachers to prepare their own syllabi and for teachers who want to incorporate these issues into their world history classes Merry E Wiesner Hanks and Urmi Engineer Willoughby present possible course topics themes concepts and approaches while offering practical advice on materials and strategies helpful for teaching courses from a global perspective in today s teaching environment for today s students In their discussions of pedagogy syllabus organization fostering students historical empathy and connecting students with their community Wiesner Hanks and Willoughby draw readers into the process of strategically designing courses that will enable students to analyze gender and sexuality in history whether their students are new to this process or hold powerful and personal commitments to the issues it raises

Women Playing Men Jin Jiang, 2011-07-01 This ground breaking volume documents women s influence on popular culture in twentieth century China by examining Yue opera A subgenre of Chinese opera it migrated from the countryside to urban Shanghai and morphed from its traditional all male form into an all female one with women cross dressing as male characters for a largely female audience Yue opera originated in the Zhejiang countryside as a form of story singing which rural immigrants brought with them to the metropolis of Shanghai There in the 1930s its content and style transformed from rural to urban and its cast changed gender By evolving in response to sociopolitical and commercial conditions and actress initiated reforms Yue opera emerged as Shanghai s most popular opera from the 1930s through the 1980s and illustrates the historical rise of women in Chinese public culture Jiang examines the origins of the genre in the context of the local operas that preceded it and situates its development amid the political cultural and social movements that swept both Shanghai and China in the twentieth century She details the contributions of opera stars and related professionals and examines the relationships among actresses patrons and fans As Yue opera actresses initiated reforms to purge their theater of bawdy eroticism in favor of the modern love drama they elevated their social image captured the public imagination and sought independence from the patriarchal opera system by establishing their own companies Throughout the story of Yue opera Jiang looks at Chinese women s struggle to control their lives careers and public images and to claim ownership of their history and artistic

representations *Women in Imperial China* Bret Hinsch, 2016-09-22 This accessible text offers a comprehensive survey of women's history in China from the Neolithic period through the end of the Qing dynasty in the early twentieth century. Rather than providing an exhaustive chronicle of this vast subject, Bret Hinsch pinpoints the themes that characterized distinct periods in Chinese women's history and delves into the perception of female identity in each era. Moving beyond the traditional focus on the late imperial era, Hinsch explores how gender relations have developed and changed since ancient times. His chronological look at the most important female roles in every major dynasty showcases not only the constraints women faced but also their vast accomplishments throughout the millennia. Hinsch's extensive use of Chinese language scholarship lends his book a fresh perspective rare among Western scholars. Professors and students will find this an invaluable textbook for Chinese women's studies and an excellent supplement for courses in gender studies and Chinese history.

Catalog of Research on Women and Gender at the University of California, Davis, 1992 Journal of the History of Sexuality, 2004 **Women and China's Revolutions** Gail Hershatter, 2018-09-04 If we place women at the center of our account of China's last two centuries, how does this change our understanding of what happened? This deeply knowledgeable book illuminates the places where the Big History of recognizable events intersects with the daily lives of ordinary people, using gender as its analytic lens. Leading scholar Gail Hershatter asks how these events affected women in particular and how women affected the course of these events. For instance, did women have a 1911 revolution? A socialist revolution? If so, what did those revolutions look like? Which women had them? Hershatter uses two key themes to frame her analysis. The first is the importance of women's visible and invisible labor. The labor of women in domestic and public spaces shaped China's move from empire to republic to socialist nation to rising capitalist power. The second is the symbolic work performed by gender itself. What women should do and be was a constant topic of debate during China's transformation from empire to weak state to partially occupied territory to nascent socialist republic to reform era powerhouse. What sorts of concerns did people express through the language of gender? How did that language work and why was it so powerful? Drawing on decades of Hershatter's groundbreaking scholarship and mastery of a range of literatures, this beautifully written book will be essential reading for all students of China's modern history.

New Books on Women, Gender and Feminism, 2014 **The Gender of Memory** Gail Hershatter, 2011-08-05 Emphasizes time between 1950s and 1970s in rural southern and central Shanxi province **UCLA Historical Journal**, 1994 *Journal of Women's History*, 2003 *The New Werner Twentieth Century Edition of the Encyclopaedia Britannica*, 1906

Women And Gender In Twentieth Century China Gender And History: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. Women And Gender In Twentieth Century China Gender And History : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Women And Gender In Twentieth Century China Gender And History : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
