Women And Wars Contested Histories Uncertain Futures:

Women and Wars Carol Cohn, 2013-04-03 Where are the women In traditional historical and scholarly accounts of the making and fighting of wars women are often nowhere to be seen With few exceptions war stories are told as if men were the only ones who plan fight are injured by and negotiate ends to wars As the pages of this book tell though those accounts are far from complete Women can be found at every turn in the gendered phenomena of war Women have participated in the making fighting and concluding of wars throughout history and their participation is only increasing at the turn of the 21st century Women experience war in multiple ways as soldiers as fighters as civilians as caregivers as sex workers as sexual slaves refugees and internally displaced persons as anti war activists as community peace builders and more This book at once provides a glimpse into where women are in war and gives readers the tools to understand women's told and untold war experiences in the greater context of the gendered nature of global social and political life

Women and Wars Carol Cohn, 2013 Where are the women In traditional historical and scholarly accounts of the making and fighting of wars women are often nowhere to be seen With few exceptions war stories are told as if men were the only ones who plan fight are injured by and negotiate ends to wars As the pages of this book tell though those accounts are far from complete Women can be found at every turn in the gendered phenomena of war Women have participated in the making fighting and concluding of wars throughout history and their participation is only increasing at the turn of the 21st century Women experience

The Oxford Handbook of Women, Peace and Security Sara E. Davies, Jacqui True, 2019 Passed in 2000 the United Nations Security Council Resolution 1325 and subsequent seven Resolutions make up the Women Peace and Security WPS agenda This agenda is an international policy framework addressing the gender specific impacts of conflict on women and girls including protection against sexual and gender based violence promotion of women's participation in peace and security processes and support for women's roles as peace builders in the prevention of conflict and rebuilding of societies after conflict The handbook addresses the concepts and early history behind WPS international institutions involved with the WPS agenda the implementation of WPS in conflict prevention and connections between WPS and other UN resolutions and agendas

War, Women and Post-conflict Empowerment Josephine Beoku-Betts, Fredline A. M'Cormack-Hale, 2022-01-13 Since the 1991-2002 civil conflict ended in Sierra Leone the country has failed to translate the accomplishments of women's involvement in bringing the war to an end into meaningful political empowerment This is in marked contrast to other post conflict countries which have increased the political participation of women in elected and appointed office increased the representation of women in leadership positions and enacted constitutional reforms promoting women's rights Written by Sierra Leonean and Africanist scholars and experts from a broad range of disciplines this unique volume analyses the historical and contextual factors influencing women's political economic and social development in the country In drawing on a diverse array of case studies from health to education refugees to international donors the contradictions successes and challenges of women's

lives in a post conflict environment are revealed making this an essential book for anyone involved in women and development Women, Gender Equality, and Post-Conflict Transformation Joyce P. Kaufman, Kristen P.

Williams, 2016-10-04 The end of formal hostilities in any given conflict provides an opportunity to transform society in order to secure a stable peace This book builds on the existing feminist international relations literature as well as lessons of past cases that reinforce the importance of including women in the post conflict transition process and are important to our general understanding of gender relations in the conflict and post conflict periods Post conflict transformation processes including disarmament demobilization and reintegration DDR programs transitional justice mechanisms reconciliation measures and legal and political reforms which emerge after the formal hostilities end demonstrate that war and peace impact and are impacted by women and men differently By drawing on a strong theoretical framework and a number of cases this volume provides important insight into questions pertaining to the end of conflict and the challenges inherent in the post conflict transition period that are relevant to students and practitioners alike Conflict Areas in the Balkans Pinar

Yürür, Arda Özkan, 2020-10-27 The situation in the Balkans such as the solution to the status of Kosovo is currently the largest international political problem in Europe with the potential to burst into a world crisis regarding the Eastern Western relations On the other hand a successful solution to the problem in the Balkans could serve as a model for solving the Muslim Christian tensions elsewhere in the world It is the intention of this book to contribute proposals for solutions to the problems of Balkans The starting principle for the solutions to be effective is that they should come in a natural way from the people below and should not be enforced by the political elites from above Based on self determination of nations as a starting principle they should encourage intra regional cooperation among the regional entities economic cultural sport as a basis for political social understanding and cooperation secondly accelerate their economic political and social development and thirdly as a final step enable the inclusion of the Balkan countries into the European Union *Report of the Special Rapporteur on Extrajudicial, Summary Or Arbitrary Executions on a Gender-sensitive Approach to Arbitrary Killings* United Nations.
