Gambling Disorders in Women Henrietta Bowden-Jones, Fulvia Prever, 2017-07-14 This book brings together an international selection of academics with expertise in problem gambling issues in women with chapters reflecting ongoing work with female gamblers across the world in both group and individual settings In choosing such a specific patient group the authors aim to raise the profile of gambling disorders in women and also provide fellow professionals across the world with a shared understanding of evidence based treatment and recovery in problem gambling literature and research

Gambling Disorders in Women An International Female Perspective on Treatment and Research will provide professionals working in addictions and policy making with much needed knowledge about a seriously under represented area and about which many professionals feel they would like to know more The book will also highlight different international approaches to the provision of treatment for women in each country as well as the epidemiology of the illness *Addictions From an Attachment Perspective* Richard Gill,2018-05-15 This outstanding book is an important collection of papers from the 2013 John Bowlby Memorial Conference by accomplished clinicians from different modalities who share their experience of working with people with different kinds of addiction The papers bring together an in depth understanding that addictions are a response to and hold the pain of broken attachments and are best treated within healthy interpersonal relationships For a long time the person with an addiction has been seen as the problem with society being able to live in denial of the causes These papers open up innovative and effective ways of working with people troubled by addiction from an attachment informed perspective Contributors Cara Crossan Richard Gill Lynn Greenwood Bob Johnson Liz Karter Edward Khantzian Arlene Vetere Kate White Jason Wright **Perspectives on Substance Use, Disorders, and Addiction** Margaret Fetting,2015-09-23 Perspectives on Substance Use Disorders and Addiction Second Edition is a philosophical and clinical text that suggests new ways to think about the relationships enjoyment and troubles with substances of pleasure The book is designed for students and clinicians who come in contact with and treat individuals and families struggling with the causes and consequences of substance use disorders and addiction The second edition of Perspectives presents a refreshing blend of ancient and contemporary ideas on the natural pleasures and potential powers of alcohol and drugs in our everyday individual and collective lives *Setting Limits* Pekka Sulkunen,Thomas F. Babor,Jenny Cisneros Ornberg,Michael Egerer,Matilda Hellman,Charles Livingstone,Virve Marionneau,Janne Nikkinen,Jim Orford,Robin Room,Ingeborg Rossow,2018-12-06 Commercial gambling is a recent historical phenomenon It has developed into a profitable industry that supplies a range of recreational activities to its customers and is a significant way of collecting money from players to distribute to companies state budgets and other beneficiaries Many of these are civil society organizations using the money for producing services in sports culture social work and health care However gambling can also develop into pathological behaviour Using a public interest framework this book discusses the policies that will best serve the public good and minimize individual and collective harms After describing the historical context of the gambling and the current global burden of the activity available methods of regulating the industry are evaluated using the available scientific evidence By analysing the effectiveness of gambling policies and their alignment with the public interest the epidemiological obstacles to successful regulation are considered in detail There is good evidence for the effectiveness of restrictions on availability and access but preventing gambling related harm is not possible without limiting the overall volume of the activity and hence the profits for the gambling industry and governments Taking an international approach this book delivers a comprehensive

review of the epidemiological evidence documenting the harmful effects of gambling on individuals communities and societies Essential reading for policymakers social and behavioural scientists in gambling research and public health researchers Setting Limits examines a global view of an emerging epidemic of gambling problems Textbook of Addiction Treatment Nady el-Guebaly, Giuseppe Carrà, Marc Galanter, Alexander M. Baldacchino, 2020-11-03 Addiction is increasingly being recognized as a major global public health issue and an ever growing number of medical specialties psychological and social science training programs and professional associations are including addiction as part of their training and continuing education curricula The first edition of this book presented an overview of the spectrum of addiction related problems across different cultures around the globe Sharing the experience and wisdom of more than 260 leading experts in the field and promoted by the International Society of Addiction Medicine it compared and contrasted clinical practices in the field of addiction medicine on the basis of neurobiological similarities as well as epidemiological and socio cultural differences Building on the success of this inaugural edition and taking into account the formal and informal comments received as well as an assessment of current need this textbook presents general updated information while retaining the most requested sections of the first edition as demonstrated by the number of chapter downloads It also provides a basic text for those preparing for the ISAM annual certification exam Written by some 220 international experts it is a valuable reference resource for anyone interested in medicine psychology nursing and social science **The American Journal of Psychiatry** ,1999-07 *Dissertation Abstracts International* ,2006 **Choice** ,1992 **Sociological Abstracts** Leo P.
