Your Individual Divinity Existing In Parallel Realities:

Your Individual Divinity: Existing in Parallel Realities Liane Rich, 2015-11-08 All realities are made up of vibrating energy. You are a multi dimensional Being existing in more than one reality at any given time. You may shift up to a higher version of you by focusing on a higher vibration. To use another analogy say you have a game. Each level reached within the game carries a reward. It's not that you deserve or don't deserve the reward. The reward or gift is always there on that particular level and you have simply accessed that level. When you raise yourself to the level where the highest vibration realities exist you are going into a parallel reality a reality that is already alive. The goal is to enter it and stay in it. How? You stay in the highest vibration or version of yourself and you are magnetically drawn to that parallel reality. You live there also simultaneously you just haven't focused on that reality as you have been busy focusing on your current reality. It's not a future but a now. All parallel realities are here and now and they exist just as your current reality exists. You may shift up to a higher version of you by focusing on a higher vibration. Certain feelings give you a lift up to the next vibration. Once you raise yourself to a higher vibration you are magnetically drawn into the next higher vibrational stream of reality. You live where you choose to live by your choice of feelings. Low vibratory feelings draw you into a low vibrating stream of energy or a low vibrating parallel reality. You see everything is already created. Everything that could possibly be imagined is already alive in the field of potentiality or the God force. Nothing that exists is wrong or bad or right or good. Everything absolutely everything is simply energy in movement. Move your energy in the direction you choose. You may climb up the stairs or down the stairs depending on which level of the mansion you wish to experience. It's all just energy and you are simply on a tour of the mansion. You come and go often and this is not your first nor your last time to visit. Where would you like to go? **A Pocket Guide for Lightworkers from Archangel Metatron** Ruth Anne Rhine, 2018-11-08 You are about to experience a book that will assist you and all heart centered people in the years to come amid global chaos and confusion so as to maintain a perspective of peaceful living on a planet in a transitional phase into one of peaceful coexistence. Do be aware that this book will enhance your lives and also your joy in living while at the same time expressing compassion and assistance to those who exist in turmoil. *How & What to Pursue in Life* Yoon-Jeong Kim, 2024-02-23 Why do I live as a small human being in this huge universe? The answer to this question is simple and clear. It is to feel genuine happiness. Then another question arises. How and what makes one happy? And this question cannot be answered right away. Feeling genuine happiness is something that can't be achieved easily in this world where many complicated circumstances are intertwined. In order to feel genuine happiness one must understand oneself, know about the world and see through the universe. You are the one who feels happiness; you can't be happy simply by yourself and happiness is the universe's response to your choices. This book contains the principles by which the universe responds to your choices. It contains the very specific details. This book elucidates the five constitutions of your mind to help you understand yourself and it explains the nine essences of how you communicate.

The final chapter in human life is recognising there is no end You will keep transforming and remoulding and changing into various forms in multidimensional lives You will not cease to be Your exit of thought trails will lead you to another great adventure once the cloak of death has been revealed as a falsehood Do not look back but forward into present understanding You are the master who has come into physical existence to purvey the human form You have become hidden under the illusion that the earths destination is the final resting place It is but an illusionary device to make you search for meaning and purpose in your existence to further know yourself Once you have mastered the physical you shall inherit the earth Look only to conscious evolution as a means to further adventures of the soul It is a glorious playground in the universe one that you have become adept at moving in if you did but know it So to our final words you are not of this world of human form but you are a part of it Your soul has a great game plan that is far reaching and is calling you to wake up and join in the fun Blooming into consciousness the evolution of your soul is a magnificent glorious adventure I hope you will join us there Namaste
