Becoming Mrs. Nehemiah: a Woman's Pursuit of Servant Leadership Rebecca L. Jordan, 2013-11-14 Do you feel like women are compared to unattainable ideals in the Bible through passages like Proverbs 31 Are there any clear examples of a homemaker with a career to balance but who also serves the Lord with gladness even against recurring problems In Mrs Nehemiah Rebecca L Jordan has blended a surprising look at the wife of Proverbs 31 with an insightful and fresh approach to the character of Nehemiah the wall builder It turns out that Nehemiah s job as cup bearer in ancient Persia is like a highly skilled butler in service of royalty So does this apply to civilized women who wish to serve God with their lives and be honorable mothers career holders even PTA members The answer is a resounding Yes There is much to be learned from viewing these two seemingly different perspectives side by side and this book is it Rebecca shows that there are simple

and straightforward principles hovering just beneath the surface of these two stories and bristling with livable guidelines and reachable benchmarks which women will find valuable in their everyday lives For the many today who want clear strategies rooted in Gods Word by which they can shape lives that are productive vibrant and set free from mediocrity Becoming Mrs Nehemiah is the book you may not have even known you were looking for

Lessons from Generation X to Generation Next McKenzie McPherson, 2012-10 Learn from the mistakes of others You can t live long enough to make them all yourself Eleanor Roosevelt As you read this take a moment to pontificate about your life what are some of the lessons you wish the generation that preceded you had left behind in a diary that you could access anytime you needed advice in a non judgmental way As you think about that also think about the lessons you hope to pass on to the generation succeeding you Lessons from Generation X to Generation Next is a compilation of over 3 000 anecdotes that describe some of the lessons the author has learned throughout her life The book is divided into 10 categories family parents education career health finances relationships pop culture life and spirituality The book offers real life guidance to people of all ages that will greatly improve the quality of life for anyone who reads it and perhaps generations to come It is not only wise to learn from our mistakes but generationally advantageous to share what we have learned with those who might be heading down the path we are all too familiar with Eleanor Roosevelt suggested that we won t live long enough to make them all ourselves and realistically why would we want to There are few guarantees in life but one of the most sobering is that one day we will die and even though death might capture our bodies our spirits will forever be liberated in the lessons we pass on from one generation to the next

Breaking and Mending Mary Lou Redding, 1998 In struggling to make sense of her own painful divorce Mary Lou Redding looked to the Bible where she found guidance and hope Her intimate book weaves her personal story with those from scripture to help other Christians who are facing divorce find God's grace in the midst of pain Breaking and Mending looks at the spiritual issues of divorce rather than the sociological ones and allows the scriptures to illuminate and heal those who are facing this difficult transition For example chapter one deals with broken dreams and uses the story of Hosea and Gomer Later chapters focus on forgiveness breaking old patterns forging a new identity as a single person and searching for healthy relationships Honest and straightforward Redding has written a book which addresses the hard issues of divorce but always with hope in God's unfolding grace
