Before you can remake your money habits, you need to start with your heart. In *Your New Money Mindset*, Brad and Jim guide you through the Money Mindset Assessment, which will help pinpoint what attitudes about money you could work on in order to develop an openhearted attitude to life. The goal is to cultivate a surplus mindset that allows you to enjoy what you already have and be generous toward others. Discover today how to free yourself from the money trap and create a healthy relationship with money.

You'll discover practical ways to merge your current financial realities and protect your marriage while doing so.
