Youth In Crisis Gangs Territoriality And Violence

Peter Squires

Youth In Crisis Gangs Territoriality And Violence:

Youth in Crisis? Barry Goldson, 2011-03-17 Few issues attract greater concern and censure than those that surround youth gangs. Comprising a series of essays from leading national and international researchers, this book subjects such claims to rigorous critical scrutiny. It provides a challenging and authoritative account of complex questions pertaining to urban youth identities, crime, and social order.

Gangs & Crime Alistair Fraser, 2017-07-03 This book takes students on a guided tour of the gang phenomenon through history as well as current representations of gangs in literature and media. It includes a detailed global overview of gang culture covering, amongst others, Glasgow, Chicago, Hong Kong, and Shanghai. A chapter on researching gangs which covers quantitative and qualitative methods. Extra chapter features such as key terms, chapter overviews, study questions, and further reading suggestions. Alistair Fraser brings together gang literature and critical perspectives in a refreshingly new way, exploring gangs as a social group with a long and fascinating history.

The Palgrave Handbook of Youth Gangs in the UK Paul Andell, John Pitts, 2023-02-17 This handbook brings together cutting edge research from key contributors on the rapidly expanding and fast changing field of UK youth gangs. It examines the contours of the academic debates, describes and explains the origins and evolution of violent street gangs in the UK against a backdrop of globalization, and discusses the factors surrounding the emergence of these gangs in each of the four UK nations and some English regions. It also examines the relationship between gangs and wider issues relating to gender, ethnicity, drug distribution, and organised crime. It critically assesses the potential and limitations of Public Health approaches to gang violence reduction and the government's policy responses to violent street gangs in the UK. Providing a broad examination of the latest UK gangs research with international comparisons, it is essential reading for undergraduate and post graduate students in criminology, sociology, social policy, and law. Policy makers at local and central government level and practitioners in the fields of law, policing, youth work, social work, housing, and workers in dedicated voluntary sector organizations.

The Oxford Handbook of Criminology Alison Liebling, Shadd Maruna, Lesley McAra, 2023 With contributions from leading authorities, this is the definitive guide to current criminological theory, research, and policy. The Oxford Handbook of Criminology provides a comprehensive collection of chapters covering the core and emerging topics studied on criminology courses, indispensable to students, academics, and professionals alike. 43 chapters written by over 85 leading academics exploring relevant theory, cutting edge research, policy developments, and current debates, encouraging students to appreciate the diverse and interdisciplinary nature of criminological discourse. Includes detailed references to aid further research. Chapters updated to reflect recent cases, statistics, and scholarship, as well as significant current events such as Covid 19 and social justice movements. New chapters added presenting research on topical issues including victimology, hate crime, desistance, cybercrime, atrocity crimes, convict criminology, security and smart cities, prison abolitionism, comparative criminology, sex offending, and network criminology. Digital formats and resources. The seventh edition is available for students.

and institutions to purchase in a variety of formats and is supported by online resources The e book offers a mobile experience and convenient access along with functionality tools navigation features and links that offer extra learning support www.oxfordtextbooks.co.uk/ebooks The accompanying online resources include essay questions and links to useful websites for each chapter along with guidance on answering essay questions and access to chapters from previous editions

The Street Casino Simon Harding, 2014-06-11 Gang violence is on the increase in certain neighbourhoods There is an urgent need for a fresh perspective that offers insight into gang structure organisation and offending behaviour to explain this increase Using the findings from an extensive ethnographic study of local residents professionals and gang members in south London and drawing on his vast experience and knowledge of the field Simon Harding proposes a unique theoretical perspective on survival in violent street gangs He applies Bourdieu's principles of social field analysis and habitus to gangs establishing them as a social arena of competition where actors struggle for distinction and survival striving to become players in the game in the casino of life Success is determined by accruing and retaining playing chips street capital Harding's dramatic and compelling insights depict gang life as one of constant flux where players jostle for position reputation status and distinction This perspective offers new evidence to the field that will help academics students practitioners and policy makers to understand the dynamics of gang behaviour and the associated risks of violence and offending Simon Harding is currently a senior lecturer in criminology at Middlesex University UK He draws on 25 years of experience in research public policy and project delivery as a crime reduction and community safety practitioner

Negative Neighbourhood Reputation and Place Attachment Paul Kirkness, Andreas Tijé-Dra, 2017-04-21 Advancing conceptual understanding of how territorial stigmatisation and its components unfold materially as well as symbolically this book presents a wide range of case studies from the Global South and Global North including an examination of recent policy measures that have been applied to deal with the consequences of territorial stigmatisation

Mischief, Morality and Mobs Dick Hobbs, 2016-08-05 Geoffrey Pearson who died in 2013 was one of the outstanding social scientists of the post second world war era His work spanned social work social theory social history criminology and sociology In particular his work has had a huge impact upon studies of youth youth culture and drugs This collection is made up of contributions from scholars producing empirical work on some of the key areas upon which Geoff Pearson established his reputation All of the writers in this collection have been profoundly influenced by his scholarship This collection focuses on urban ethnography race and ethnicity youth and drugs It includes chapters on women working in male boxing gyms understanding the English Defence League Black male adults as an ignored societal group drug markets and ethnography and sex drugs and kids in care The result is a cutting edge collection that takes readers into social worlds that are difficult to access complex yet utterly normal Overall this is an exciting and fittingly challenging tribute to one of the UK's most important scholars This volume will appeal to scholars and students of criminology sociology social history and research methodology in particular ethnography

Crime in England 1815-1880

Helen Johnston, 2015-03-03 *Crime in England 1815 1880* provides a unique insight into views on crime and criminality and the operation of the criminal justice system in England from the early to the late nineteenth century This book examines the perceived problem and causes of crime views about offenders and the consequences of these views for the treatment of offenders in the criminal justice system The book explores the perceived causes of criminality as well as concerns about particular groups of offenders such as the criminal classes and the habitual offender the female offender and the juvenile criminal It also considers the development of policing the systems of capital punishment and the transportation of offenders overseas as well as the evolution of both local and convict prison systems The discussion primarily investigates those who were drawn into the criminal justice system and the attitudes towards and mechanisms to address crime and offenders The book draws together original research by the author to locate these broader developments and provides detailed case studies illuminating the lives of those who experienced the criminal justice system and how these changes were experienced in provincial England With an emphasis on the penal system and case studies on offenders lives and on provincial criminal justice this book will be useful to academics and students interested in criminal justice history and penology as well as being of interest to the general reader

Gun Crime in Global Contexts Peter Squires, 2014-06-27 Every year around three quarters of a million people die directly or indirectly as a result of gun violence with most deaths occurring in the poorest yet also most highly weaponized parts of the world Firearm proliferation 875 million global firearms is a direct contributor to both regional conflicts and to crime This book attempts to understand the inter related dynamics of supply and demand which are weaponizing the world Now over ten years after Peter Squires s *Gun Culture or Gun Control* the issues pertaining to gun violence and gun control have developed dramatically With *Gun Crime in Global Contexts* Peter Squires offers a cutting edge account of contemporary developments in the politics of gun crime and the social and theoretical issues that surround the problem This book contains an innovative political analysis of neo liberal globalization and weapon proliferation an overview of recent gun control debates and gang strategies in the UK an updated analysis of US gun politics self defence race and the culture war a critical analysis of US school and rampage shootings how they have impacted the gun debate and how different societies have responded to mass shootings an examination of the UN s development of an Arms Trade Treaty 2001 13 a discussion of weapon trafficking discussions about youth gangs around the world including those in Brazil Kenya West Africa Mexico and South Africa With its interdisciplinary perspective and global reach this book will be important reading for academics and students interested in youth and gang crime violent crime and comparative criminal justice as well as peace and security studies and international relations

Urban Legends Alistair Fraser, 2015 *Globalisation and the Challenge to Criminology* Francis Pakes, 2013-01-04 There is no doubt that globalisation has profound effects on crime justice and our feelings of security identity and belonging Many of these affect both the making of laws and the breaking of laws It has been argued however that criminology has been too provincial focusing as it often does on national laws and

issues whilst others have said that globalisation is the stuff of international relations global finance and trade not of criminology This book disputes this by asserting that criminology has a firm place in this arena and globalisation offers the discipline a challenge that it should relish Some of the field's top scholars from the UK the US Canada Australia and New Zealand consider these challenges and present cutting edge analysis and debate Topics covered include transnational organised crime international policing and a range of other issues involving global harm such as genocide the workings of international financial institutions the fate of international migrants and the impact of anti immigration sentiments in Europe A particular focus is on borders and arrangements that deal with migration and populations that are excluded and adrift This book highlights criminology's analysis and engagement in new understandings of globalisation in particular its harmful and unethical manifestations and offers a mode of scrutiny and vigilance Globalisation and the Challenge to Criminology will be of particular interest to those studying criminology criminal justice policing security and international relations as well as those who seek to understand globalisation and in particular its harmful outcomes *"Indians Wear Red"* Elizabeth

Comack, Lawrence Deane, Larry Morrisette, Jim Silver, 2020-11-26T00:00:00Z With the advent of Aboriginal street gangs such as Indian Posse Manitoba Warriors and Native Syndicate Winnipeg garnered a reputation as the gang capital of Canada Yet beyond the stereotypes of outsiders little is known about these street gangs and the factors and conditions that have produced them *Indians Wear Red* locates Aboriginal street gangs in the context of the racialized poverty that has become entrenched in the colonized space of Winnipeg's North End Drawing upon extensive interviews with Aboriginal street gang members as well as with Aboriginal women and elders the authors develop an understanding from inside the inner city and through the voices of Aboriginal people especially street gang members themselves While economic restructuring and neo liberal state responses can account for the global proliferation of street gangs the authors argue that colonialism is a crucial factor in the Canadian context particularly in western Canadian urban centres Young Aboriginal people have resisted their social and economic exclusion by acting collectively as Indians But just as colonialism is destructive so too are street gang activities including the illegal trade in drugs Solutions lie not in quick fixes or getting tough on crime but in decolonization re connecting Aboriginal people with their cultures and building communities in which they can safely live and work *County*

Lines Harding, Simon, 2020-05-06 Described by the National Crime Agency as a significant threat county lines involve gangs recruiting vulnerable youth to sell drugs in provincial areas This phenomenon has impacted local drug markets increasing criminal activity and violence Exploring how county lines evolve Harding reveals extensive criminal exploitation and control in the daily grind to sell drugs Drawing upon extensive interviews and case studies this timely book gives voice to users and dealers providing an in depth analysis of techniques relationships and trapping With county lines now a critical issue for policing and government this is an invaluable contribution to literature on gangs youth violence and drugs *Social Policy*

Hugh Bochel, Guy Daly, 2014-03-26 This thoroughly updated new edition provides a comprehensive introduction to

contemporary social policy and addresses its historical theoretical and contextual foundations Divided into four sections it opens with a survey of the socio economic political and governmental contexts within which social policy operates before moving on to look at the historical development of the subject The third section examines contemporary aspects of providing welfare whilst the final part covers European and wider international developments The text explores the major topics and areas in contemporary social policy including work and welfare education adult health and social care children and families crime and criminal justice health housing race disability Issues are addressed throughout in a lively and accessible style and examples are richly illustrated to encourage the student to engage with theory and content and to help highlight the relevance of social policy in our understanding of modern society It is packed with features including Spotlight Discussion and review and Controversy and debate boxes as well as further readings and recommended websites A comprehensive glossary also provides explanations of key terms and abbreviations Social Policy is an essential textbook for undergraduate students taking courses in social policy and related courses such as criminology health studies politics sociology nursing youth and social work *Desistance and Children* Alexandra Wigzell,Claire Paterson-Young,Tim Bateman,2024-05-31

Available open access digitally under CC BY NC ND licence *Desistance* understanding how people move away from offending has become a significant policy focus in recent years with desistance thinking transplanted from the adult to the youth justice system in England and Wales This book is the first to critique this approach to justice involved children many of whom are yet to fully develop an identity criminal or otherwise from which to desist Featuring voices from academia policy and practice this book explores practical approaches to desistance with children in the Child First context It gives new insights into how children can be supported to move away from offending and proposes reforms to make a meaningful difference to children s lives *Brothers in the Great War* Linda Maynard,2021-01-26

Siblings are our longest lasting relationships Narratives of the Great War abound with the war stories of brothers and sisters Their emotional experiences span the novelty of departing for war or taking up war work the turmoil of facing combat the effort to provide ongoing support for family members the ever present anxiety for soldier brothers the depth of sibling grief and the multifarious ways surviving siblings sought to preserve the memory of their fallen brothers This social and cultural history places siblinghood at the heart of our understanding of the war generation and how they balanced conflicting obligations to the nation the military and their families Drawing on a range of material *Brothers in the Great War* reveals how sibling bonds sustained fighting men and presents a novel insight into twentieth century familial life An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence *Intergenerational Space* Robert Vanderbeck,Nancy Worth,2015-06-03 *Intergenerational Space* offers insight into the transforming relationships between younger and older members of contemporary societies The chapter selection brings together scholars from around the world in order to address pressing questions both about the nature of contemporary generational divisions as well as the complex ways in which members of different generations are and can be

involved in each other's lives. These questions include how do particular kinds of spaces and spatial arrangements e.g. cities, neighbourhoods, institutions, leisure sites facilitate and limit intergenerational contact and encounters? What processes and spaces influence the intergenerational negotiation and contestation of values, beliefs and social memory producing patterns of both continuity and change? And if generational separation and segregation are in fact significant social problems across a range of contexts, as a significant body of research and commentary attests, how can this be ameliorated? The chapters in this collection make original contributions to these debates drawing on original research from Belgium, China, Finland, Poland, Senegal, Singapore, Tanzania, Uganda, the United States and the United Kingdom.

Gangs of Russia Svetlana Stephenson, 2015-07-31 Since their spectacular rise in the 1990s, Russian gangs have remained entrenched in many parts of the country. Some gang members have perished in gang wars or ended up behind prison bars, while others have made spectacular careers off the streets and joined the Russian elite. But the rank and file of gangs remain substantially incorporated into their communities and society as a whole, with bonds and identities that bridge the worlds of illegal enterprise and legal respectability. In *Gangs of Russia*, Svetlana Stephenson explores the secretive world of the gangs. Using in-depth interviews with gang members, law enforcers and residents in the city of Kazan, together with analyses of historical and sociological accounts from across Russia, she presents the history of gangs both before and after the arrival of market capitalism. Contrary to predominant notions of gangs as collections of maladjusted delinquents or illegal enterprises, Stephenson argues Russian gangs should be seen as traditional close-knit male groups with deep links to their communities. Stephenson shows that gangs have long been intricately involved with the police and other state structures in configurations that are both personal and economic. She also explains how the cultural orientations typical of gangs, emphasis on loyalty to one's own, showing toughness to outsiders, exacting revenge for perceived affronts and challenges, are not only found on the streets but are also present in the top echelons of today's Russian state.

Law and Society in England 1750-1950 William Cornish, Stephen Banks, Charles Mitchell, Paul Mitchell, Rebecca Probert, 2019-10-31 *Law and Society in England 1750-1950* is an indispensable text for those wishing to study English legal history and to understand the foundations of the modern British state. In this new updated edition, the authors explore the complex relationship between legal and social change. They consider the ways in which those in power themselves imagined and initiated reform and the ways in which they were obliged to respond to demands for change from outside the legal and political classes. What emerges is a lively and critical account of the evolution of modern rights and expectations and an engaging study of the formation of contemporary social, administrative and legal institutions and ideas and the road that was travelled to create them. The book is divided into eight chapters: Institutions and Ideas; Land, Commerce and Industry; Labour Relations; The Family; Poverty and Education; Accidents and Crime. This extensively referenced analysis of modern social and legal history will be invaluable to students and teachers of English law, political science and social history.

Thinking Seriously About Gangs Paul Andell, 2019-05-04 This book

examines the current debate about UK street gangs termed the UK Gang Thesis debate It argues that policy formations in the UK aimed at addressing street gangs preceding and succeeding the English riots of 2011 have encompassed positions of both gang denial and gang blame The policy pendulum of denial and blame raises questions about where UK gang policy stands and which ideas and influences have framed our responses to this issue The book will explore the UK Gangs Thesis using an analysis of empirical evidence from three sites in three English regions which encompasses periods of both gang denial and gang blame This book is an examination of the relationship between theory policy and practice in the context of the current UK gangs discourse and one of the first to examine the country lines phenomena There is a need to formulate a less partisan analysis of gangs in the UK and to recapture the debate from analyses which understate or overstate the gang problem In order to do so Andell argues that a realist approach is needed which defines what constitutes social reality and overcomes theoretical and methodological difficulties in order to critique present formulations of gangs This book provides this critique and makes suggestions for a more comprehensive and democratic approach to gang policy in what can be termed a critical realist approach to gangs

Recognizing the pretentiousness ways to acquire this book **Youth In Crisis Gangs Territoriality And Violence** is additionally useful. You have remained in right site to start getting this info. get the Youth In Crisis Gangs Territoriality And Violence colleague that we have enough money here and check out the link.

Youth In Crisis Gangs Territoriality And Violence Introduction

In the digital age, access to information has become easier than ever before. The ability to download Youth In Crisis Gangs Territoriality And Violence has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Youth In Crisis Gangs Territoriality And Violence has opened up a world of possibilities. Downloading Youth In Crisis Gangs Territoriality And Violence provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Youth In Crisis Gangs Territoriality And Violence has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Youth In Crisis Gangs Territoriality And Violence. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Youth In Crisis Gangs Territoriality And Violence. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Youth In Crisis Gangs Territoriality And Violence, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Youth In Crisis Gangs

Territoriality And Violence has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Youth In Crisis Gangs Territoriality And Violence Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Youth In Crisis Gangs Territoriality And Violence is one of the best book in our library for free trial. We provide copy of Youth In Crisis Gangs Territoriality And Violence in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Youth In Crisis Gangs Territoriality And Violence. Where to download Youth In Crisis Gangs Territoriality And Violence online for free? Are you looking for Youth In Crisis Gangs Territoriality And Violence PDF? This is definitely going to save you time and cash in something you should think about.
