Evyn Hunter Versus the Zombie Curse Patrick Night,2015-05-28 Just ask any teenager and theyll tell you that high school is a nightmare But for Evyn Hunter its about to get a whole lot weirder than anything hes ever experienced When he was only thirteen people from his hometown of Newport California started mysteriously disappearing And when strange agents in dark suits started following him around everywhere Evyn knew that something really big was going on and that it was up to him to save the day Now almost a year later the once calm and slightly boring streets of Newport are anything but Hideously transformed zombies are everywhere and Evyn and his girlfriend Chloe are in a race against time In the second installment in the Evyn Hunter series he has to face his toughest opponents yet Can Evyn save Chloe his hometown and the world at large before its too late *Crimson Summer* Heather Graham,2022-04-05 They re not going down without a fight When FDLE special agent Amy Larson discovers a small horse figurine amid the bloody aftermath of a gang massacre in the Everglades she recognizes it immediately The toy is the calling card of the apocalypse cult that Amy and her partner FBI special agent Hunter Forrest have been investigating and it can only mean one thing this wasn t an isolated skirmish it was the beginning of a war As tensions between rival gangs rise so does the body count and Amy and Hunter s investigation leads them to a violent far right extremist group who are in no hurry to quell the civil unrest With a deadly puppet master working to silence their every lead it s a race against the clock to figure out who s been pulling the strings and put a stop to the escalating cartel turf war before the Everglades run red Captivating cop fiction A well developed and twisted read Mystery and Suspense Magazine on Danger in Numbers Don t miss New York Times bestselling author Heather Graham s next thrilling read SHADOW OF DEATH **The Hunt Chronicles Volume 1: Awakening** J.D. Demers,2015-04-02 A mysterious contagion circles the globe in less than a week Billions die only to rise again to feast on the living Zombies And they are not the worst monsters to rise from the ashes of humanity A new species is born and they stand at the top of the food chain Christian fights to survive in the first days of The Awakening But there is more to him than anyone knows He is immune to the infection but revealing this may lead to his death The Awakening is the first Chronicle of Christian Hunt and the heroes that sacrificed everything so his gift may save what remains of mankind Join the Hunt Norman Reedus: True Tales of The Walking Dead's Zombie Hunter Mc Shapiro,2015-09-10 Where does reality stop and fantasy begin In the case of The Walking Dead superstar Norman Reedus the question is still very much up in the air His Daryl Dixon is a very flawed psychologically scarred character in a zombie infested world And there is much in his portrayal that is informed by a real life that is equally flawed and equally scarred In Norman Reedus An Unauthorized Biography True Tales of the Walking Dead s Zombie Hunter the first detailed look at Norman Reedus life and times you will get it all The good the bad and the ugly This book chronicles his days as a defiant young man in a fractured but ultimately liberating family life allegations of physical abuse from Reedus himself to his struggles in the Los Angeles art underground alcohol problems that saw him in AA and for a time homeless his

breakthrough in acting modeling and the slow steady and never boring journey through love fatherhood and his often truly odd professional choices You ll discover why Reedus said thanks but no thanks to an offer to play opposite a reigning superstar how he became Daryl Dixon and how The Walking Dead changed his life Oh yes there is that penchant for roadkill New York Times Bestselling author Marc Shapiro has dug deep tracking down people who knew him way back when as well as in the here and now for original interviews They were willing to talk and they revealed stories about Reedus that even the most fanatic fans won t know The author s research was relentless digging into deep dark and obscure corners Norman Reedus world is about real life wrapped around a world of fantasy Norman Reedus The Unauthorized Biography True Tales of the Walking Dead s Zombie Hunter pulls no punches tells only the truth and leaves the rest up to the reader Which ultimately is the way Norman Reedus would want it
