When There's Too Much To Do Laura Stack, 2012-07-02 What to tackle and what to toss I don t know anyone who is more organized or who has more energy and has more fun getting things done than Laura Stack Mark Sanborn New York Times bestselling author of You Don t Need a Title to Be a Leader There is a set of skills that make it possible to not only effectively manage a whirlwind of daily tasks but breathe easier in the process In this book Laura Stack aka the Productivity Pro explains each skill and how to develop it Learn how to Determine what to do Schedule time to do it Focus your attention Process new information Close the loop Manage your capacity These techniques can be applied in your personal life as well as your work life to free up time reduce anxiety and achieve more while doing less *Effective Patient Education* Donna R. Falvo, 2004 Effective Patient Education helps health professionals and students develop the skills and knowledge to conduct effective patient education in a highly efficient way It emphasizes a team approach to patient education recognizing that because of the complexity of health care many health professionals are involved in patient care This book is therefore written for nurses physicians physical therapists dietitians pharmacists and other health care professionals who share responsibility to guide their patients in enhancing and maintaining health and well being Effective patient education is a way of communicating that fosters a partnership between the patient and health professional It involves more than giving information and instruction In order to conduct effective patient education health professionals must recognize that individual patient variables influence the degree to which a patient will follow health advice The health professional can assess the patient s preexisting beliefs and attitudes fears and anxieties and individual life and family circumstances in order to communicate health recommendations in accordance with individual patient needs **DECISION MAKING STYLE:**

Social and Creative Dimensions DEV VERMA, 2009-12 As a leader or responsible person we often stuck with decision making It s our job to make decisions that are in the best interest of the whole organisation or to ourselves We must consider the good of many not of a few This is a big responsibility and very often people don t appreciate our efforts In fact many

times people get angry at us because of the decisions we make to help them In this book we discuss decision making style Not the decision itself but style We hope that readers will appreciate this effort *Point of reconnection* Marcello Cotrim,2023-03-22 There is no way to control life and any attempt can generate unnecessary suffering The ideal is to accept the changes and comprehend which lesson life is presenting to you In 2020 the world changed abruptly and a feeling of solitude and impotence took over most of us However in every difficulty there is an opportunity to evolve and review our choices At that time Marcello Cotrim came up with the Project Point of Reconnection and through daily internet LIVES helped thousands of people showing them a happier and lighter way amid life adversity The world shut down and with that a lot of questions were put in place by everyone about their life especially the question Am I happy with my life Marcello Cotrim proposed life lessons and the most essential ones are here in this book and they reflect gratitude for this project created
