Sacred Questions Kellye Fabian,2018-11-06 As Christians we believe that Jesus has invited us into a new kind of life with him one that is full free and for others And yet many of us don t actually experience this promised life We continue to act out of fear withhold grace refuse forgiveness drown in worry return to old habits tolerate distraction and harbor a desire to be right While inspirational stories abound in our world and fill the devotional books on our shelves and apps on our phones inspiration does not equal transformation Transformation only happens when we open ourselves in God s presence and align with His work in us and the world But many of us just don t know how to do this or where to begin This book provides a way Sacred Questions invites readers into a daily personal practice of reading Scripture and responding to questions arising from the text about God themselves and others Guiding readers over a yearlong journey into an open posture and daily heart examination and reflection the book helps them see themselves more clearly understand more about who God is break patterns of sin and grow in forgiveness and love One day at a time readers learn how to partner with God in their transformation into Christlikeness and live the full free and others centered life Jesus offers
