Speaking Code Geoff Cox, Alex McLean, 2012-11-16 The aesthetic and political implications of working with code as procedure expression and action *Speaking Code* begins by invoking the Hello World convention used by programmers when learning a new language helping to establish the interplay of text and code that runs through the book *Interweaving the voice of critical writing from the humanities with the tradition of computing and software development in Speaking Code* Geoff Cox formulates an argument that aims to undermine the distinctions between criticism and practice and to emphasize the aesthetic and political implications of software studies Not reducible to its functional aspects program code mirrors the instability inherent in the relationship of speech to language it is only interpretable in the context of its distribution and network of operations Code is understood as both script and performance Cox argues and is in this sense like spoken language always ready for action *Speaking Code* examines the expressive and performative aspects of programming alternatives to mainstream development from performances of the live coding scene to the organizational forms of peer production the democratic promise of social media and their actual role in suppressing political expression and the market s emptying out of possibilities for free expression in the public realm Cox defends language against its invasion by economics arguing that speech continues to underscore the human condition however paradoxical this may seem in an era of pervasive computing *The unofficial papers of the Post office, a series of sketches* Nomeo (pseud.), 1902 **Hardware and House**

Furnishing Goods, 1921 *Ahead of Their Times* Albert J. Widman, 1999-12 **Pantomimes 102** James W. Gousseff, 1981

Newsmaker Patricia Beard, 2016-05-01 This is the story of one of the most important American newspapermen of the twentieth century Roy Howard rose to prominence at the height of newspapers power and became a leader in the evolution of print news starting in 1908 when E W Scripps appointed him head of the fledgling United Press at age 25 through his tenure as chairman of the Scripps Howard empire until 1952 As Howard expanded and modernized the business he landed some of the most important scoops between World War I and the Korean War Ebullient likeable and outgoing he headed one of only two coast to coast news concerns Hearst being the other An advisor to presidents and prime ministers Howard witnessed the most significant events of the time A 1930 front page New York Times article named him one of the 59 men who rule America with John D Rockefeller topping the list Time magazine put him on the cover The Saturday Evening Post lionized him Even his enemies gave him plenty of coverage The New Yorker excoriated him in a four part series although the author admitted that Howard s and Hearst s were the only American newspaper publishers whose photographs the average newspaper reader would recognize With exclusive first time access to thousands of previously unpublished documents in the privately held Howard family archives author Patricia Beard opens a rich mine of stories from one of the most volatile periods in history as revealed by the head of a newspaper empire at a time when the press both made and broke the news **The Best They Could Be** Scott H. Longert, 2013-04-30 Since the founding of professional baseball few teams have risen above

years of mediocrity only to see their fortunes interrupted by war and tragedy Fewer still have then rallied to win the World Series In the early twentieth century the Cleveland Indians brought the world championship to their city of passionate fans in a spectacular style that has yet to be replicated The Best They Could Be recaps the compelling story of the ballplayers and team owner who resurrected this proud but struggling franchise Although the Cleveland ball club had been an active part of professional baseball from the late 1860s and a charter member of the American League by 1915 the team was on the brink of collapse Into this dejected atmosphere came new owner James C Dunn Despite lacking baseball experience Dunn had the business savvy to bring his club to the forefront acquiring superstar center fielder Tris Speaker and other great players But during the rise of the franchise the outbreak of World War I interrupted baseball Then in 1920 as the Indians were leading the pennant race shortstop Ray Chapman died after a pitch fractured his skull The outpouring of sorrow from teammates and fans alike made the Indians more determined than ever to fight their way to the top Scott H Longert s entertaining and poignant narrative traces the rise fall and rebirth of one of America s most beloved baseball teams **The Great Day** Dr. Festus K. Akinnifesi,2021-10-21 The most remarkable story ever revealed starts like this And war broke out in heaven Michael and his angels fought with the dragon The Great Day is anchored on the allegorical story of the woman in Revelation 12 and her adversary which led to the war in heaven the root of all wars and woes on earth In her the unchangeable and eternal purpose of God for humanity was perfectly sealed The author presents three stages of war by her Antagonist a first war in heaven then many wars on earth then a final war from heaven before the messianic kingdom of Christ The result is a prophecy book that is almost as dramatic and moving as a novel yet it s not a fiction Interpreting the entire end time prophecies from this vantage point is what sets this book apart from the rest In particular four unique discoveries have transformed this book to a new prophetic treasure that every Christian must possess The reader will discover early in the book how the invention of another woman Asherah the mother of Baal later coded as Babylon in Revelation 17 became Satan s greatest game changer Who is the real Gog and Magog the Antichrist that would occupy Israel Why Russia is not the Gog of Magog of Ezekiel s prophecy Understanding the sequence and purpose of the 21 plagues the seven seals and the sets of retributory plagues of tribulation seven trumpets and seven bowls of wrath How are the unleashing of these unprecedented apocalyptic plagues linked to the two powerful prophets in Revelation 11 What will be the roles of the armies of raptured saints following King Jesus for the Armageddon war The Great Day is a must read for every Christian concerned about the end time our eternal destiny The entire kingdom agenda of Jesus is about the End times Patents and Patentees ,1895

Punjab District and State Gazetteers ,1909

Torrent Opener Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has are more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Torrent Opener**," written by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.
