Dumbstruck - A Cultural History of Ventriloquism Steven Connor,2000-10-26 Why can none of us hear our own recorded voice without wincing Why is the telephone still full of such spookiness and erotic possibility Why does the metaphor of ventriloquism the art of seeming to speak where one is not speak so resonantly to our contemporary technological condition These are the kind of questions which impel Steven Connor's wide ranging restlessly inquisitive history of ventriloquism and the disembodied voice He tracks his subject from its first recorded beginnings in ancient Israel and Greece through the

fulminations of early Christian writers against the unholy and they believed obscenely produced practices of pagan divination the aberrations of the voice in mysticism witchcraft and possession and the strange obsession with the vagrant figure of the ventriloquist newly conceived as male rather than female during the Enlightenment He retrieves the stories of some of the most popular and versatile ventriloquists and polyphonists of the nineteenth century and investigates the survival of ventriloquial delusions and desires in spiritualism and the vocalic uncanny of technologies like telephone radio film and internet Learned but lucid brimming with anecdote and insight this is much more than an archaeology of one of the most regularly derided but tenaciously enduring of popular arts It is also a series of virtuoso philosophical and psychological reflections on the problems and astonishments the raptures and absurdities of the unhoused voice

Eventually, you will unconditionally discover a further experience and expertise by spending more cash. nevertheless when? get you admit that you require to acquire those all needs subsequently having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will guide you to comprehend even more almost the globe, experience, some places, taking into consideration history, amusement, and a lot more?

It is your categorically own become old to operate reviewing habit. along with guides you could enjoy now is **Vocal Power Vocal Power** below.
