Phenomenological Study of African American and Hispanic Student Perceptions of the Impact of Race on Their Academic and Social-emotional Experience in a Large Urban School District Ryan Uran, 2023 The purpose of this investigation was to examine the perceived presence of racial disparities that may exist in the education system and uncover student perceptions of racism throughout each of their respective educational careers It also brought to light student perceptions of the phenomenon and informed educators and education systems about changes that can be made so that each student can experience success at an equitable rate Specifically gaps between African American Hispanic and White students were examined These gaps exist nationwide but gaps particular to the author s unique context were explicated A study to deepen the understanding of students perceptions and personal experiences of racism throughout their respective educational experiences was conducted The current study utilized a phenomenological analysis of interviews with the people most often left out of educational research practice and policy the students themselves The findings of this investigation and their implications are critical to ensure future endeavors toward equity are more effective than they have been in the past Among them African American and Hispanic students perceived inequitable treatments in academic and behavioral contexts Themes also suggested the prevalence of racism and its effects on education at both the individual and systemic levels

Suggestions for educators and education systems include continuing efforts to racially diversify not only the student body but also the school staff. Themes also suggested African American and Hispanic students would benefit immensely from additional supports in the forms of resources, mentors, academic assistance, holistic wellness programs, and social emotional initiatives. Recommendations for further research are also included.

Handbook on Well-Being of Working Women Mary L. Connerley, Jiyun Wu, 2015-07-27 This handbook provides an overview and synthesis of relevant literature related to the issue of the well-being of working women. This focus addresses a gap that currently exists in the quality of life and well-being fields. The work of the authors answers the following broad questions: Does gender matter in the well-being of working women? Do prejudices against and stereotypes of women still play a role in interpersonal interactions in the workplace that could hinder women from flourishing professionally? Does the organizational context, such as organizational culture, reward systems, and leadership, contribute to the well-being of working women? What impact does the national context have on the well-being of working women? And finally, how can public policies help enhance the well-being of working women? These are important issues for academics, researchers, and graduate students interested in gender issues in the fields of management, sociology, psychology, social psychology, economics, and quality of life studies. Policy makers and practitioners will also find this book beneficial. Equitable treatment and outcomes for all, regardless of gender, remains a challenging goal to achieve with various barriers in different contexts and different cultures, and this book provides strong coverage of this important topic of well-being of working women.

Women's Lives Claire A. Ettaugh, Judith S. Bridges, 2015-07-14 *Women's Lives: A Psychological Exploration*, 3rd Edition, draws on a wealth of the literature to present a rich range of experiences and issues of relevance to girls and women. This text offers the unique combination of a chronological approach to gender that is embedded within topical chapters. Cutting edge and comprehensive, each chapter integrates current material on women differing in age, ethnicity, social class, nationality, sexual orientation, and ability. The third edition reflects substantial changes in the field while maintaining its empirical focus through engaging writing, student activities, and critical thinking exercises. With over 2100 new references emphasizing the latest research and theories, the authors continue to pique interests in psychology of women.

Voices African American And Hispanic Students Perceptions Regarding The Academic Achievement Gap: Bestsellers in 2023

The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Let's delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year.

The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed.

Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Voices African American And Hispanic Students Perceptions Regarding The Academic Achievement Gap : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
