Voices from the Harem
 Nancy Hartwell Enonchong, 2016-11-29 Reviews for Voices from the Harem If you are the parent of a teenage girl you should put this book on your must read list It is a fascinating but extremely disturbing collection of anecdotes from girls who describe how they wound up in a slave harem One reviewer said that there was too much fantasy but I think she completely missed the point A number of girls have gone insane and have retreated into fantasy worlds where they feel safe because they could no longer deal with their real lives locked away forever in a harem Carmen F This was an unexpected treat because I wasn't sure about what I was getting into All 111 girls in Prince Ibrahim's Il Giardino Posteriore harem tell their own stories of how they wound up in the harem and what they think about it Some of them tell really spooky stories about where they had been before like the girl who used to belong to a guy who flunked out of medical school but bought slaves so he could operate on people anyway Of course most of them died but he got to indulge his desire Or the one who had been in a mad scientist's laboratory and he would run bizarre experiments on the unfortunate victims there Touching moving heart breaking stories Marie C This is an excellent book describing the dreary unrewarding life of Harem Slaves Their personal stories of how they got there is both riveting and also horrifying At times it left me shaking my head in bewilderment when some of these women described their feelings towards their enslaver A fascinating read even on its own Flavius J Horribly heartrending Jamie R I cannot believe this still goes on to this day Gripping unbelievable but most of all heart breaking I wish there was more being done to combat this Natalie S Some of the women in the harem are ones that were also ones who were killed at the Rodeo in horrible ways Some girls were killed after only being in the harem a few months for poor performance because they had trouble adjusting to having been kidnapped from their families and country Prince Ibrahim killed a girl a month just because he could Some of the women had gone quietly insane after years of being cooped up in a pretty cage with no way out Karbie

Sex at the Margins Laura María Agustín, 2008-02-29 This groundbreaking book explodes several myths that selling sex is completely different from any other kind of work that migrants who sell sex are passive victims and that the multitude of people out to save them are without self interest Laura Agustín makes a passionate case against these stereotypes arguing that the label trafficked does not accurately describe migrants' lives and that the rescue industry disempowers them Based on extensive research amongst migrants who sell sex and social helpers *Sex at the Margins* provides a radically different analysis Frequently says Agustín migrants make rational choices to travel and work in the sex

industry Although they are treated like a marginalised group they form part of the dynamic global economy Both powerful and controversial this book is essential reading for all those who want to understand the increasingly important relationship between sex markets migration and the desire for social justice **Middle East Report** ,1998 **Forthcoming Books** Rose Army,2002 Harem Slave Nancy Hartwell Enonchong,Nancy Enonchong,2016-11-15 What Readers Say about Harem Slave Inspired by actual events inspiring and enlightening Ann B A heart wrenching but inspiring tale of courage resilience and human survival Beautifully written Jane R A must read Tammy refuses to surrender and no matter what they do to her her spirit is not broken Rachel M The suspense is intense A sad story but extremely well written Marie C This book really took me by surprise It s fundamentally a horror story a fascinating psychological study of what slavery does to the victim and to her owners An unflinching look at human trafficking carried out with finesse and grace Kristin W I stayed up reading this book until five a m then called in sick so I could finish it I simply could not put it down Best book by far I have ever read Chad K A fantastic book on a terrifying topic I just wanted to curl up somewhere and keep reading Fell in love with the gutsy heroine Doug H I didn t want to put this book down even long enough to eat A revealing and restrained treatment of an explosive topic Riveting John H This book made me cry and shook me to the core I was moved beyond words Leigh I simply could not put this book down and polished it off in one day The heroine s amazing strength of character and good heart shine through on every page Cathy D **Harem Slave** Nancy Hartwell Enonchong,2013-08-13 Harem Slave is not your predictable formulaic sex slave novel it is above all a gripping and often suspense filled documentary of the harrowing life of a victim of human trafficking It is in many respects a survival guide for girls who find themselves in such unthinkable circumstances Intended for mature readers Harem Slave is not gratuitously pornographic but due to the subject matter does contain considerable erotic material Tammy Simmons is every parent s dream daughter 18 blonde a majorette and unimpressed with how beautiful she is An honor roll student preparing to enter Georgetown University she seems destined to take her comfortable place in upper middle class America She has taken to heart the high moral principles instilled in her by her tight knit family and dreams of being a diplomat While visiting friends in Europe however she is abducted and to her stunned disbelief shipped to the Middle East and sold as a harem slave to an 81 year old sheikh He is scandalized when he discovers she s not the buxom Swede he ordered and sells her to the brooding and cantankerous Sheikh Saud A year later she becomes the property of Sheikh Fahd who dyes the girls in his Rainbow Harem different colors she is Miss Green When Miss Purple furtively poisons him she is bought by the handsome but mentally imbalanced Prince Ibrahim who has been known to put slaves to death so he and his guests can enjoy their fresh corpses at his lavish parties Fortunately or unfortunately instead of taking her into his own harem he leases her to an elite gentlemen s club part of a dark underworld on the Persian Gulf where brothels cater to every taste every perversion every excess She quickly learns that brutality even in the nice clubs is the norm in the worst life expectancy is calculated in weeks Disciplinary problems are threatened with

being sent to a snuff club where they are tortured to death as entertainment To this point Tammy has managed to adjust to slavery without completely negating her persona but now she almost comes unglued She has no other choice if she wants to survive but to swallow her self respect and obey orders It s a constant struggle She is proud of herself for not falling apart during one particularly horrible assignment and then is immediately trundled off to another that s even worse How Tammy remains sane in this horrific environment is a tribute to the resilience of the human spirit to the power of love toward those who deserve it the least and to the defiant determination to find glimmers of joy even lasting love in a life awash with daily humiliation and degradation Her caring heart courage and ability to understand her masters as fallible humans grappling with their own sets of demons are ultimately the keys to her salvation
