R. Kent Hughes, Barbara Hughes

Word Biblical Commentary Vol 44 Colossians Philemon:

Colossians-Philemon, Volume 44 Peter O'Brien, 2014-12-23 WBC series delivers the best in biblical scholarship from the leading scholars who share a commitment to Scripture as divine revelation. It emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. Emmaus Bible Resources Christ Our Life David Day, 2003. The letter to the Colossians was written to a church dominated by powerful forces and alternative spiritualities. It is thus remarkably relevant to our day. Paul's theme is no less relevant: Christ will have first place in everything. David Day's book encourages us to consider how to give Christ pre-eminence in every area of our lives, both personal and corporate. The Emmaus Bible Resources series offers readers the opportunity to dig deeper into the Bible and grow in Christian life, faith, and service. Finding a middle ground between daily Bible notes and weighty commentaries, the series contains versatile material designed for use by individuals, small groups, or as part of a sermon series.

Word Biblical Commentary V.44 Colossians, Philemon, Peter T. O'Brien Peter Thomas O'Brien, 1982. **COLOSSIANS: "Presenting you Holy"** Dr. Ken Baker, 2019-06-19. I guess every believer is conscious of wanting to go further with God, to dig deeper and to climb higher. Paul himself said, "Not that I have already arrived, but I press on." But the New Testament, whilst stating that qualification, also provides an astonishing optimism of grace, a marvellous confidence that God can do all things in and through us. The little book of Colossians expresses that confidence to a high degree. The writer is not daunted by the poor quality of the believers, neither by the sins of their past nor the distractions of their present. In simple, powerful prose, he outlines a challenge which is worth taking up. It is the challenge of Christian holiness. Jesus Christ has done a work; the past tense is exhilarating so that he might offer us to God, holy and blameless and irreproachable. It is God's design that is that we are presented holy. It is the purpose of this book to explore how Colossians enables that undertaking.

The Trouble with "Truth through Personality" Charles W. Fuller, 2010-04-05. In an era when the cult of personality has overtaken the task of preaching, Charles W. Fuller offers an engaging query into the necessary boundaries between the person of the preacher and the message preached. By thoroughly evaluating Phillips Brooks's classic "truth through personality" definition of preaching, Fuller brings to light a substantial error that remains in contemporary homiletics: namely, the tenuous correlation between Christ's incarnation and Christian preaching. Ultimately, Fuller asserts a sound evangelical framework for preaching on revelational, ontological, rhetorical, and teleological grounds. Preachers who desire to construct pulpit practice upon a robust evangelical foundation will benefit from Fuller's contribution.

Liberating Ministry from the Success Syndrome R. Kent Hughes, Barbara Hughes, 2008-01-07. Every year, thousands of God's servants leave the ministry convinced they are failures. Years ago, in the midst of a crisis of faith, Kent Hughes almost became one of them. But instead, he and his wife Barbara turned to God's Word, determined to learn what God had to say about success and to evaluate their ministry from a biblical point of view. This book describes their journey and

their liberation from the success syndrome the misguided belief that success in ministry means increased numbers In today s world it is easy to be seduced by the secular thinking that places a number on everything But the authors teach that true success in ministry lies not in numbers but in several key areas faithfulness serving loving believing prayer holiness and a Christlike attitude Their thoughts will encourage readers who grapple with feelings of failure and lead them to a deeper fuller understanding of success in Christian ministry This book was originally published by Tyndale in 1987 and includes a new preface Anthony C Thiselton and the Grammar of Hermeneutics Robert Knowles,2014-07-08 A provisional and preliminary attempt to show how the formative hermeneutical thinking of Anthony C Thiselton once systematized and critiqued can begin to resolve the major problems found in the discipline of hermeneutics today most notably its varying disunities theoretical practical and inter disciplinary This book aims to show that the formative thinking of Anthony C Thiselton provides valuable insights for a programmatic construction towards a unified hermeneutical theory This construction provides powerful keys for unlocking six contemporary problems in hermeneutics disorganization complexity abstraction theoretical disunity on several levels inter disciplinary polarization and irresponsible interpretation Robert Knowles exhaustive analysis engages critically and creatively **Free at Last!** Lawrence A. Pile,2019-07-22 The book is a straightforward commentary on the New Testament book of Galatians proceeding mostly verse by verse I make frequent application to the ways contemporary cult leaders and teachers and spiritually abusive pastors misinterpret and misapply the teachings of the scriptures **Teaching Them Obedience in All Things** Edgar J. Elliston,1999-09-15 The seventh installment in the EMS series provides presentations originally given at meetings held in November 1998 Topics include the biblical and missiological foundations for training evangelical pastors and missionaries contextualization of curriculum Christian higher education and case studies in both postmodern settings as well as traditional ones Psalms, Hymns and Spiritual Songs James D Janzen,2015-04-21 The way we worship becomes the way we believe which in turn becomes the way that we think interact and feel No wonder worship is at the heart of so many controversies in the church Paul s teaching on psalms hymns and spiritual songs explores the relationship between this familiar song triad and spiritual maturity making the bold claim that worship can lead to unity rather than conflict and division This book links Paul s song triad with other scriptural triads in a way that radically changes the lens through which the practice of worship is viewed Practical strategies and study make this book an essential individual or small group resource
