Working With Anger And Young People:

Working with Anger and Young People Nick Luxmoore, 2006 *Working with Anger and Young People* warns against quick fix solutions to dealing with anger and draws on the author's experiences of youth counselling and training workshops to propose helpful interventions for addressing anger effectively and moving on from it

The Art of Working with Anxious, Antagonistic Adolescents Nick Luxmoore, 2019-04-18 This is a series of surprising and candid conversations held between veteran counsellor Nick Luxmoore and professionals working with young people Based entirely on stories from the author's experience of supervising frontline professionals it looks at how to approach young people the stumbling blocks faced on both sides and offers invaluable guidance to anyone working with teenagers Luxmoore posits ways forward for practitioners which are adaptive and allow them to respond personally practically and theoretically From suicide to disordered eating watching pornography to love in therapeutic relationships Nick Luxmoore covers a range of problems and phenomena encountered by counsellors teachers school social workers and youth workers One chapter sees a counsellor struggling for questions to ask a boy whose father abandoned his family only to return two years later another a teacher finding it impossible to know how to speak to a fourteen year old with an inoperable brain tumour Recounted in a style that motivates engages and inspires *The Art of Working with Anxious Antagonistic Adolescents* allows professionals to gain a better understanding of their capacity particularly developmentally and pastorally and not reach for easy answers or a quick fix

These are lessons in the art of working with today's teenagers

Handbook of Clinical Intervention with Young People who Sexually Abuse Gary O'Reilly, 2004 This handbook reviews the growing body of empirical and theoretical knowledge on juvenile sex offenders and indicates how this knowledge can be used to guide and develop evidence based practice for assessment and treatment

Cognitive Behavioural Therapy for Adolescents and Young Adults Lawrence Howells, 2018-05-01 *Cognitive Behavioural Therapy for Adolescents and Young Adults* An Emotion Regulation Approach provides a unique focus on therapeutic practice with adolescents and young adults covering everything from psychological theories of adolescence to the treatment of common emotional difficulties Beginning with a review of development through adolescence into adulthood and the principles of CBT the book highlights problems with traditional models of CBT for adolescents and young adults In a fresh approach this book separates CBT from diagnosis and grounds it instead in emotion science Adolescents and young adults learn not about disorders and symptoms but about emotions emotional traps and how they can use CBT to bring about change There are chapters on fear sadness anger emotion dysregulation and happiness Each chapter provides an outline of emotion science a clear cognitive behavioural formulation trap and evidence based interventions Clinicians are walked through the process using case illustrations *Cognitive Behavioural Therapy for Adolescents and Young Adults* represents a transformation of CBT practice and will become a valuable treatment manual to training and practising mental health professionals especially psychotherapists specialising in CBT
