Workplace Evangelism

R. Larry Moyer

Workplace Evangelism:

Workplace Evangelism John W. Boland, 2013-04 Here readers will find strategies and personal testimonies that provide a guideline of how to effectively combine your career with your Christianity Back cover **Show Me How to Share Christ in the Workplace** R. Larry Moyer, 2012 Whether they know it or not every Christian is in full time ministry at home at school at recreation and at work Colossians 4 5 6 says Walk in wisdom toward those who are outside redeeming the time Let your speech always be with grace seasoned with salt that you may know how you ought to answer each one NKJV Continuing his popular Show Me How series expert evangelist R Larry Moyer has written a practical guide for sharing Christ in the workplace Step by step Moyer shows what it really means to pray live and speak as God directs He then outlines how to apply each at work and shows how to take advantage of public speaking opportunities that Christians may not even know are available to them Whether they are turning workplace conversations to spiritual matters answering questions of unbelieving co workers or just performing their jobs as a representative of Christ readers will be encouraged and equipped to present the gospel with clarity and simplicity Written to encourage those in the workplace to see their jobs as their calling How to Share Christ in the Workplace offers practical help and inspiration to influence non Christians for Christ Equipping Laypeople for Transformational Workplace Ministry Caroloretta Tucker, 2010-11 Equipping Laypeople Many Christians fail to see their places of work as their most logical mission field missing opportunities for both workplace ministry and evangelism Those who do see their places of work as a mission field are making a tremendous difference where they work Given the amount of hours typically spent working the personal trials and dysfunctions many carry with them to work as well as the poor working conditions of many American workers there is a tremendous need for Christians to transform their places of work Even though many pastors tell their church members to go out and reach people they are not providing them with the necessary training to reach those in the workplace There is a great need for laypeople to be built up to be creative and to live out their faith at work Pastors have been given the ultimate privilege of equipping God s people for service Churches must be intentional about providing laypersons with the theological tools and practical information necessary to understand and effectively exercise workplace ministry We must begin by accepting that all God s people are placed in workplace ministry and seek to know God s original plan for work as well as how to integrate work and faith In EQUIPPING LAYPEOPLE FOR TRANSFORMATIONAL WORKPLACE MINISTRY Caroloretta Tucker offers her Doctorate s thesis research results to pastors and churches as a firm foundation for this effort Religion and the Workplace Douglas A.
