Year Of Hope And Inspiration 2016 Wall Calendar:

2021 a Year of Hope and Inspiration 16-Month Wall Calendar Deb Mori,2020 **Pharaohs of the Sun** Guy de la Bédoyère,2023-01-03 A vivid story of an astonishing period in ancient Egypt's history 1550 BC to 1295 BC that tears away the gold and glamour to reveal how these great pharaohs ruthlessly ruled Egypt for two hundred and fifty years For more than two centuries Egypt was ruled by the most powerful successful and richest dynasty of kings in its long end epic history They included the female king Hatshepsut the warrior kings Thutmose III and Amenhotep II the religious radical Akhenaten and his queen Nefertiti and most famously of all for the wealth found in his tomb the short lived boy king Tutankhamun The power and riches of the Pharaohs of the 18th Dynasty came at enormous cost to Egypt's enemies and to most of its people This was an age of ruthless absolutism exploitation extravagance brutality and oppression in a culture where not only did Egypt plunder its neighbors but Egyptian kings and their people robbed one another 3 500 years ago ancient Egypt began two centuries of growth where it became richer and more powerful than any other nation in the world ruled by the kings of the 18th Dynasty They presided over a system built on war oppression and ruthlessness pouring Egypt's wealth into grandiose monuments temples and extravagant tombs Tutankhamun was one of the last of the line and one of the most obscure Among his predecessors were some of the most notorious and enigmatic figures of all of Egypt's history Pharaohs of the Sun is the story of these famed rulers showing how their glamour and gold became tainted by selfishness ostentation and the systematic exploitation of Egypt's people and enemies *WALL CALENDAR 2021 CALENDAR 2021 PUBLISHING,2021*
