Jesus, the Prophets, and the End of the World Trevor Bucknell, 2016-07-22 The Old Testament prophets and their writings were hugely instrumental in the formation of the second temple eschatology so an appreciation of the Old Testament prophetic literature greatly helps us in understanding the life and ministry of Jesus and the rationale of the early church Israel s story of divine election lay at the core of their identity as a nation and people constantly reinforced in the religious practices and rituals that made up their lives That story by the time of Jesus was heavily influenced by the eschatological expectations created by the prophets The people of Israel expected looked for and waited for God s intervention in their history and in their lives once again as he had intervened in the past The eschatological message of the prophets focused on two themes the kingdom of God and the day of the Lord The first theme largely found its fulfillment in the coming of Jesus

and the birth of the church though it awaits his return for its culmination The book of Revelation presents an unfolding of the second theme the day of the Lord This forms the common theme in the prophets of God s final and culminating act of righteousness and justice in this age **The Messenger of the Sacred Heart of Jesus** ,1899 One Hundred Revival Sermons and Outlines ,1906 **The Matthew Commentary Collection** Michael J. Wilkins,Grant R. Osborne,Scot McKnight,2016-06-07 This all in one commentary bundle on the book of Matthew features volumes from the NIV Application Commentary Series Zondervan Exegetical Commentary Series and Story of God Bible Commentary Series Each volume provides new and unique insights from leading biblical scholars Michael Wilkins Grant Osborne and Scot McKnight The unique features from each volume along with the diverse insights provided by the authors gives you all the tools you need to study and master the book of Matthew The Radical Teaching of Jesus Duncan S. Ferguson,2016-01-18 The Radical Teaching of Jesus carefully and thoughtfully invites the reader into an understanding of the life and teachings of Jesus Both his life and teachings are radical in that Jesus intended those who observed his life and heard his teachings to make a major change in their lives by fully receiving the power and presence of God The implications of this transformation would result in a life of loving God with heart and mind and one s neighbor without condition This volume underlines that to have a full understanding of the implications of the radical teaching of Jesus requires a careful reading of the history of the Gospel records of the circumstances in which Jesus lived and of Jesus sense of vocation This understanding makes possible a more credible and nuanced grasp of the style and content of the life and teaching of Jesus and its extraordinary relevance for our rapidly changing and troubled global context The book speaks poignantly both to those within the Christian family who find traditional categories regarding Jesus increasingly difficult to affirm and to those of other faith traditions or religious unaffiliated who seek an authentic spiritual way

As recognized, adventure as with ease as experience approximately lesson, amusement, as skillfully as accord can be gotten by just checking out a books **Yeshua One Hundred Meaningful Messages For Messengers** also it is not directly done, you could say you will even more approximately this life, roughly the world.
