Yoga Darshana Sutras Of Patanjali With Bhasya Of Vyasa:

The Yoga-darshana Patañjali,2002 In 1934 he thoroughly revised this translation making it as good as it lay in my power to make it His mastery of archaic darshana syntax makes this what may still be regarded as the best translation of this difficult text **BOOK JACKET** **The Yoga-Darshana** Ganganatha Jha,2013-10 This is a new release of the original 1934 edition The Yoga-darśana Patañjali,1907 *The Yoga-darshana, comprising the Sūtras of Patañjali - with the bhāṣya of Vyāsa* Patañjali,1934 Yoga-darśana Patañjali (Philosoph),2011 *The Yoga-Darśana: The Sutras of Patañjali with the Bhāṣya of Vyasa* Patanjali,Ganganatha Jha,2018-02-14 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Yoga Sutra of Patanjali* David Gordon White,2014-05-25 The rise fall and modern resurgence of an enigmatic book revered by yoga enthusiasts around the world Consisting of fewer than two hundred verses written in an obscure if not impenetrable language and style Patanjali s Yoga Sutra is today extolled by the yoga establishment as a perennial classic and guide to yoga practice As David Gordon White demonstrates in this groundbreaking study both of these assumptions are incorrect Virtually forgotten in India for hundreds of years and maligned when it was first discovered in the West the Yoga Sutra has been elevated to its present iconic status and translated into more than forty languages only in the course of the past forty years White retraces the strange and circuitous journey of this confounding work from its ancient origins down through its heyday in the seventh through eleventh centuries its gradual fall into obscurity and its modern resurgence since the nineteenth century First introduced to the West by the British Orientalist Henry Thomas Colebrooke the Yoga Sutra was revived largely in Europe and America and predominantly in English White brings to life the improbable cast of characters whose interpretations and misappropriations of the Yoga Sutra led to its revered place in popular culture today Tracing the remarkable trajectory of this enigmatic work White s exhaustively researched book also demonstrates why the yoga of India s past bears little resemblance to the yoga practiced today *Yoga Sutras of Patanjali* Patañjali,Swami Veda Bharati,2001-01-01 Orissa Society of Americas 35th Annual Convention Souvenir , Orissa Society of Americas 35th Annual Convention Souvenir for Convention held in 2004 at Dallas
