Budismo tibetano desde cero

Carlos J. de Pedro,2021-01-28 Desde que los primeros lamas tibetanos llegasen a Occidente la presencia del budismo en España no ha dejado de crecer hasta lograr el reconocimiento como confesión de notorio arraigo. Ya sea por el gran carisma de Su Santidad el 14 Dalai Lama, el interés que despierta la terrible situación que todavía hoy atraviesa un Tibet pisoteado por el régimen chino o su estrecha colaboración con comunidades científicas, al más alto nivel, las tradiciones budistas tibetanas atraen a cada vez más personas. Sin embargo, hay algo que apenas ha cambiado: la ausencia de orientación clara y específica para quienes se sienten atraídos por esta forma de pensamiento y contemplan la posibilidad de convertirse en budistas. El autor, practicante según la escuela del Dalai Lama desde 2003 y responsable del sitio web Sangha Virtual, ha observado esta realidad y con este libro pretende aportar un granito de arena en beneficio de quienes están empezando a conocer las enseñanzas de Buda.

Quiero tomar refugio en tu corazón Alex De Sande, Alex De Sande González, 2014-06-06. Alex de Sande narra una cautivadora historia de amor de la que fue testigo un verano durante la realización de unos cursos de yoga y meditación en un monasterio budista. En el relato se entrelaza el erotismo con el humor, el romanticismo con la espiritualidad. Muchos de sus protagonistas están inmersos en un proceso de toma de consciencia para llevar a cabo una transformación personal que les guíe al inicio de una nueva vida. Como asegura el autor, las utopías comienzan por un sueño y como todos sueñan que pueden volar, acaban volando. A lo largo de estas páginas se suceden personajes que, irónicamente, desvelando sus pasados llenos de aventuras y viajes alrededor del mundo, así se narran las peripecias de un artista ciego que pinta sueños, un monje que parece levitar, un lama que desaparece en medio del incienso, las aventuras de una esposa atrapada en la lujuria que colecciona camareros sumisos, un marido dominado por los celos, un psiquiatra libidinoso que seduce a sus pacientes, un cocinero envenenador, un banquero convertido en brujero, especialista en timos, una mística mujer que parece sufrir una metamorfosis al convertirse en una nube de mariposas celestes, un cartomante invidente que a través de su tarot ve el futuro y un jesuita que ha regresado de la muerte entre muchos otros. Los amantes toman refugio en sus corazones y se encuentran en la cueva de las luciérnagas, donde ella se quita la blusa dejando al descubierto su espalda. La luz bioluminiscente de aquellos insectos en gestación ilumina su piel desnuda y aparece el dibujo tatuado del loto azul invisible. Él le hace el amor por la espalda recorriendo con sus labios el tallo para llegar a los pechos detrás de la nuca, mientras sus dedos despiertan cada uno de sus siete chacras hasta que un grito de placer recorre la columna vertebral de la cueva y ambos despiertan de su sueño mineral.
